Commission Comment: PL 1-8, tit. 1, ch. 15, codified as amended at 1 CMC §§ 2401-2405, creates the Department of Public Works (DPW) within the Commonwealth government. See 1 CMC § 2401. 1 CMC § 2404 directs the Department to adopt rules and regulations regarding those matters over which it has jurisdiction.

2 CMC §§ 4131-4137 prohibits any person from cutting or trenching into a road without a permit from the Department of Public Works. 2 CMC § 4133. 2 CMC § 4134 authorizes the Department to promulgate such rules and regulations deemed necessary for the implementation of the permit requirement.

Part 001 - General Provisions

§ 155-20.1-001 Purpose and Findings

(a) The Department has the power and authority to construct and maintain all public works and roads, unless otherwise provided by law and to construct, maintain and operate public signs, traffic signals, public vessels, public buildings, and public works functions previously performed by chartered municipalities, unless otherwise provided by law (1 CMC § 2403). The Department has jurisdiction over this property and these facilities for the stated matters.

(b) The Department is required by the Legislature to adopt rules and regulations regarding those matters over which the Department has jurisdiction (1 CMC § 2404; 2 CMC § 4923). The promulgation of regulations to accomplish these ends is necessarily and fairly implied in and incident to the powers expressly granted and is essential to the accomplishment of the declared objects and purposes.

(c) The Department's functions include repairing, improving and maintaining in good and safe condition all public roads, sidewalks, sewers, drains, and other public rights-of-way.

(d) The Department hereby finds and declares that the public is entitled to the uninterrupted, unimpeded, and unobstructed use and quiet enjoyment of every portion and part of public rights-of-way and the public's rights therein are not limited to the traveled portion. The public includes pedestrians and vehicular travelers as well as property owners and users who receive services through the rights-of-way. The public's uses include driving vehicles, cycling, horseback riding, walking, gathering, and meeting for commerce, recreation, cultural, and religious matters and ceremonies.
