[SLL 18-10](#) (Jan. 21, 2014) contained, in addition to savings and severability clauses, the following Findings and Administering Authority sections:

Section 1. Findings. The Saipan and Northern Islands Legislative Delegation finds that Mount Carmel School has been honorably associated with the island of Saipan and Diocese of Chalan Kanoa for over half a century. In fact, in 2012 Mount Carmel School celebrated its Sixtieth Anniversary. We also find that although Mount Carmel School alumni have appropriately received resolutions, the Legislature has yet to enact any resolutions to recognize the school itself. To celebrate Mount Carmel School's upcoming Sixty-First Anniversary, the Saipan and Northern Islands Legislative Delegation finds that it is proper to rename Hagoi Road, from the Beach Road intersection eastward to the Texas Road intersection, "Knight Street," in honor of the school's mascot. This name was chosen from among several other names by the alumni, also called, "AlumKnights" during planning sessions for the Sixtieth Anniversary.

Section 3. Administering Authority. The Mayor of Saipan is authorized to administer the provisions of this Act.
