

TITLE 10: LOCAL LAWS
DIVISION 1: FIRST SENATORIAL DISTRICT (ROTA)

§ 1141. Short Title.

This Act shall be known and may be cited as the “Bayogo Exportation Ban Act of Rota.”

Source: Rota LL 13-3, § 1, modified.

Commission Comment: Rota LL 13-3 took effect August 9, 2002 and contained findings, severability, and savings clause provisions. According to Rota LL 13-3:

Section 2. Findings. The Rota Legislative Delegation finds that large quantity of Bayogo are being harvested and exported out of Rota to be used in the manufacturing of handicrafts that are sold in gift shops particularly to tourist. The Delegation further finds that by banning the exportation of Bayogo, it will encourage the establishment of handicraft manufacturers which will serve as an outlet for the people to harvest Bayogo and sell to the manufacturers as a source of income. It will also create employment and encourage plantation and cultivation of Bayogo. Therefore, it is the purpose of this act to ban the exportation of Bayogo, unless it is manufactured and assembled in Rota in the form of handicraft or finished product ready to be exported and sold to gift shops or other outlets outside of Rota.
