

TITLE 10: LOCAL LAWS
DIVISION 2: SECOND SENATORIAL DISTRICT (TINIAN, ETC.)

§ 2583. Casino Games.

(a) The commission may, by notification in a publication, notify any game as a game that may be conducted or played in a casino pursuant to a casino license.

(b) The notification in respect of a game shall include an account of the rules for the playing of the game.

(c) Rules for the playing of a game may be altered by subsequent notification.

(d) A casino operator shall submit to the commission for approval a statement of the maximum number of each of the games proposed to be played in the casino.

(e) The commission may approve the maximum number of each of the games as submitted or determine and approve in any particular case a different maximum number.

(f) The maximum number of each of the games to be played in the casino shall be the number in each case approved by the commission.

(g) The casino operator at any time, having regard to the apparent gaming requirements of casino patrons, may conduct a number of games in any particular case less than the maximum number approved in respect thereof; provided, that the commission may direct that a minimum number of any particular type of game shall be played at any time, and where it does so, the casino operator shall comply with the direction.

(h) A casino operator shall ensure that each game conducted in a casino is conducted according to the rules in force for the time being in relation thereto.
