

TITLE 3: HUMAN RESOURCES
DIVISION 2: HEALTH

§ 2553. Visits.

(a) A person has the right to private conversations and to visitation during regular visiting hours.

(b) A person has the right of access to, including private communications with, any available rights protection service, qualified advocate, or attorney. Such rights protection service, qualified advocate or attorney shall have reasonable access to the patient and facility at which the patient resides or receives treatment.
