

HOUSE OF REPRESENTATIVES
FIFTEENTH NORTHERN MARIANAS COMMONWEALTH LEGISLATURE
FIFTH SPECIAL SESSION, 2006

PUBLIC LAW NO. 15-109

H. B. No. 15-195, HS1, HD2

AN ACT

To repeal and re-enact Chapter 6 of Division 1 of Title 3 of the Commonwealth Code to reestablish the Post-secondary Teacher Education Program Scholarship for another five years and to establish the Medical School Professional Scholarship; and for other purposes.

BE IT ENACTED BY THE FIFTEENTH NORTHERN MARIANAS COMMONWEALTH LEGISLATURE:

1 Section 1. Findings and Purpose. The Legislature finds that the Post Secondary
2 Teacher Education Program Scholarship (PSTEPS) was enacted with the passage of Public
3 Law 10-58, as amended by Public Law 11-34, on May 15, 1997. The scholarship program
4 was established to encourage more CNMI students to become teachers and serve the CNMI's
5 rapidly growing student population, thereby decreasing the costly practice of recruiting
6 teachers from outside of the CNMI. The PSTEPS was instrumental in helping over 50
7 students to become teachers; however, the program expired on September 30, 2004.

8 The Legislature further finds that the Public School System (PSS) continues to lack
9 certified teachers to fill its classrooms and that there continues to be a need to encourage
10 CNMI students to become teachers. Approximately 80 teachers resigned from their posts in
11 the last school year leaving PSS with the daunting task of replacing these teachers. Recently,
12 teachers have been recruited from off-island, which means that PSS will incur additional
13 costs of recruitment and repatriation. The Legislature finds that the Commonwealth must
14 continue to build upon the capacity of local resident teachers in order to meet the demands of
15 a growing student population. It would be more prudent to invest funds used for teacher
16 recruitment and repatriation expenses in the education of CNMI students who wish to
17 become teachers by providing scholarships.

1 The Legislature finds that the Commonwealth also lacks medical doctors to fill
2 essential positions at the Department of Public Health (DPH). The DPH expends an
3 exorbitant amount of money each year on recruitment, housing, and repatriation fees of
4 medical doctors and their families, in addition to the hundred thousand plus salaries of all
5 such doctors. Again, it would be more sensible to invest these funds in educating CNMI
6 students in the field of medicine by providing scholarships. The CNMI needs more local
7 resident doctors to fill the medical doctor positions at the DPH.

8 Therefore, the purpose of this Act is to (1) re-establish the Post Secondary Teacher
9 Education Program Scholarship to help meet the continued demand for teachers in the
10 Commonwealth, (2) establish the Medical School Professional Scholarship, (3) require the
11 submission of an annual report of the administration of the scholarship programs to the
12 Governor, the presiding officers of the Legislature, the Commissioner of Education, and the
13 Secretary of the Department of Public Health, and (4) provide a sunset provision for the
14 PSTEPS, the Medical School Professional Scholarship, and the CNMI Honor Scholarship
15 Program.
