AN ACT

TO AMEND 1 CMC SECTION 1402 (A) TO PERMIT SENATORIAL DISTRICTS TO CREATE AND REGULATE COMMUNITY IMPROVEMENT DISTRICTS OR CIDs.

BE IT ENACTED BY THE TWENTY-FIRST NORTHERN MARIANAS COMMONWEALTH LEGISLATURE:

SECTION 1. FINDINGS AND PURPOSE.

The Legislature finds that certain tourism areas in Garapan and other tourist-frequented areas in the Commonwealth should be better and more holistically managed to provide a better overall cultural and commercial environment for present and future generations of locals and tourists alike. In pursuing this policy, these specific areas, such as the tourist-frequented areas in Garapan will be subject to rules and regulations in areas called Community Improvement Districts or CIDs that will both enhance existing features and create new attractions that will be traditional, commercially feasible, and aesthetically pleasing.

Title 1 Section 1402 (a) of the Commonwealth Code expressly lists subjects or matters within which a senatorial district may enact local laws. Subsection (a) defines a local bill as a
bill that “if enacted, becomes a law pertaining exclusively to matters within one senatorial
district”.

Because Article II, section 6 of the CNMI Constitution allows for a Senatorial District
to legislate within the district, the Legislature hereby deems it important to add to the list set
forth in 1 CMC section 1402 (a) to include the establishment and regulation of Community
Improvement Districts or CIDs.

Accordingly, this Act, is hereby enacted to allow all CNMI Senatorial Districts to enact
regulations and laws within their municipalities that are needed to establish these CIDs for the
purpose of creating a better overall business and tourist friendly experience.

SECTION 2. AMENDMENT.

Title 1, Division 1, Chapter 4, Enactment of Local Laws, section 1402 (a) Definitions
of the Commonwealth Code is hereby amended by adding the following new subsection (20)
that shall read as follows:

“(20) The establishment and regulation of Community Improvement Districts
or CIDs that enhance existing features or create new attractions within a district
established by local law or regulations. The purpose of establishing a CIDs is to
improve the community through infrastructure investment and creating conditions that
attract new growth. CIDs may include capital improvements, beautification,
community safety, business retention and economic development.

SECTION 3. SEVERABILITY.

If any provisions of this Act or the application of any such provision to any person or
circumstance should be held invalid by a court of competent jurisdiction, the remainder of this
Act or the application of its provisions to persons or circumstances other than those to which
it is held invalid shall not be affected thereby.

SECTION 4. SAVINGS CLAUSE.

This Act and any repealer contained herein shall not be construed as affecting any
existing right acquired under contract or acquired under statutes repealed or under any rule,
regulation, or order adopted under the statutes. Repealers contained in this Act shall not affect
any proceeding instituted under or pursuant to prior law. The enactment of the Act shall not
have the effect of terminating, or in any way modifying, any liability, civil or criminal, which
shall already be in existence on the date this Act becomes effective.

SECTION 5. EFFECTIVE DATE.
This Act shall take effect upon its approval by the Governor, or its becoming law
without such approval.
