## PUBLIC NOTICE

### EMERGENCY REGULATIONS COMMONWEALTH ZONING BOARD

#### EMERGENCY:

The Commonwealth Zoning Board hereby finds for the reasons given and pursuant to 1 CMC §9104(b) that the public interest requires immediate adoption of emergency regulations, upon the concurrence of the Governor, to establish a "Zoning Fee Schedule" to effectively implement the Saipan Zoning Law (Saipan Local Law 8-7), signed into law on April 29, 1992.

#### AUTHORITY:

The Commonwealth Zoning Board, acting through its Zoning Board Administrator, is authorized to promulgate these regulations pursuant to 2 CMC §7221(b)(4) and 2 CMC §7221(d). These emergency regulations are being published in accordance with 1 CMC §9104(b) and they are effective immediately upon filing with the Registrar of Corporations. These emergency regulations are to be effective for a period of one hundred twenty (120) days after promulgation, unless repealed or modified at an earlier time as provided by the laws of the Commonwealth.

#### REASON FOR EMERGENCY:

The public interest requires adoption of these regulations upon fewer than thirty (30) days notice. Sections 13102-03 of the Saipan Zoning Law require that zoning permit applications be accompanied by the applicable fee required by the fee schedule. Since there is no fee schedule set forth in the Saipan Zoning Law, the permitting process will come to a standstill unless emergency regulations are adopted setting forth a fee schedule.

#### PUBLIC COMMENTS:

Notice is also hereby given of the Commonwealth Zoning Board's proposed adoption of these regulations. Pursuant to 1 CMC §9104, comments regarding the contents of these regulations may be sent to the Zoning Administrator, Commonwealth Zoning Board, P.O. Box 2109,

Saipan, MP 96950, within thirty (30) days of the date of their publication in the Commonwealth Registrar.

**CERTIFICATION OF EMERGENCY REGULATIONS REGARDING ZONING FEE SCHEDULE:**

I, Cynthia B. Camacho, Administrator of the Commonwealth Zoning Board, by signature below hereby certify that the Emergency Regulations regarding the Zoning Fee Schedule are a true, complete and correct copy of the Emergency Regulations adopted by the Commonwealth Zoning Board.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed on the 27<sup>th</sup> day of May, 1993 at Saipan, Commonwealth of the Northern Mariana Islands.

## OFF-ISLAND FINANCIAL AID POLICY

### Section 1. Purpose

The Board of Regents of the Northern Marianas College (NMC) hereby establishes a Student Financial Aid Policy for the purpose of assisting, through locally funded grants and loans, eligible residents of the Commonwealth of the Northern Mariana Islands (CNMI) who desire to pursue postsecondary studies outside the Commonwealth.

### Section 2. Definitions

When used in this Policy the following terms have the meanings given below except when the context clearly indicates otherwise.

- A. "Board" means the Board of Regents of Northern Marianas College.
- B. "Financial Aid Office" means the division within the Office of Student Affairs at Northern Marianas College charged with the responsibility of administering the financial aid program.
- C. "Financial Aid" means monies awarded to students on the basis of academic achievement to attend an accredited college/university or a recognized postsecondary technical institute. Financial aid is either of two kinds:
  - a. Scholarships: financial aid in the form of grants; and
  - b. Loans: financial aid which may be granted to students pursuing graduate studies in medicine, dentistry, law or education and which is repayable under terms outlined under Section 13 below.
- D. "New applicant" means a student who has not previously applied for Commonwealth financial aid, or who is transferring to another institution, or who is returning to school after having dropped out.
- E. "Continuing student" means a student who has received financial aid in the immediately preceding term and is continuing studies the following term at the same institution.
- F. "Permanent resident of the Commonwealth" means a person who has resided in the Commonwealth continuously for the past three (3) years and who intends to continue doing so indefinitely.

N.B. For purposes of this policy, persons working in the Commonwealth on contract with repatriation provisions are not considered to be permanent residents of the Commonwealth. However, persons of Northern Marianas

origin working for the Commonwealth government outside the Commonwealth *are* considered to be permanent residents of the Commonwealth for purposes of this policy.

- G. "Commonwealth" means the Commonwealth of the Northern Mariana Islands.
- H. "Registered voter of the Commonwealth" means a person duly certified by the Commonwealth Board of Elections to vote in the Commonwealth.

### **Section 3. Financial Aid Office**

The Financial Aid Office within Northern Marianas College shall have the following responsibilities:

- A. To compile and review applications for financial aid from those who are or will be attending an accredited postsecondary institution within or without the Commonwealth;
- B. To determine recipients of Commonwealth student financial aid, and to assign the levels of their financial aid;
- C. To give notice to students of their financial aid award for Fall Semester by August 1, and for Spring Semester by December 31;
- D. To maintain communication with financial aid applicants and recipients;
- E. To maintain accurate and up-to-date records on applicants for and recipients of Commonwealth student financial aid;
- F. To prepare and forward to the accounting office of Northern Marianas College a request for payment containing the names of recipients and the amount of financial assistance each recipient is to receive; and
- G. To submit to the Board quarterly reports on the status of financial aid funds and of students receiving financial aid.

### **Section 4. Funding**

The Commonwealth Student Financial Aid Program receives funds through appropriations by the Legislature.

### **Section 5. Maintenance of Funds**

Funds received for financial aid will be deposited in a separate account of the College and shall be maintained by the College's accounting office. A biannual financial report shall be prepared for the Board of Regents by the accounting office.

## Section 6. Eligibility Criteria for Financial Assistance

No person shall receive financial aid unless all of the following criteria are met.

- A. Citizenship. The person must be a United States citizen.
- B. Residency. The person must be a permanent resident of the Commonwealth, or the dependent of such a person.
- C. Voter Status. Except for those under the age of 18, the person must be a registered voter of the Commonwealth.
- D. Enrollment. An applicant must be admitted to or enrolled at an accredited college, university or a recognized postsecondary technical institute, and must maintain during the academic year a full-time schedule of studies as defined by that institution.
- E. Minimum Scholastic Achievement. An undergraduate applicant must maintain a cumulative grade point average of 2.0 in a 4.0 system, or a passing grade in a pass/fail system. Graduate students must maintain a minimum cumulative grade point average acceptable at their institution for continuation in their studies, normally a cumulative grade point average of 3.0 in a 4.0 system.
- F. Limited Duration. Eligible students may receive Commonwealth financial aid for a period not to exceed 4.5 academic years in an undergraduate program, except when enrolled in a five-year baccalaureate program, not to exceed two academic years when enrolled in a master's program, not to exceed three years when enrolled in law school, and not to exceed four years when enrolled in medical school.
- G. Exceptions
  - a. As a general rule, only those seeking the baccalaureate degree will be considered for financial aid, provided the applicants meet the above eligibility criteria. Exceptions are made for those pursuing graduate degrees in medicine, dentistry, law and master's degrees in subjects directly applicable to the teaching profession in the Commonwealth.
  - b. Students studying for religious ministry are not eligible for Commonwealth financial aid.

## Section 7. Conditions of Receipt of Award

- A. Grants for First or Second Year Students. Commonwealth financial aid may be awarded to first and second year students who will be pursuing a specialized course of study not available at Northern Marianas College, and who have a score of 500 or more in the TOEFL or its equivalent. The amount of an award will be based on the recipient's cumulative GPA.
- B. Grants for Third and Fourth Year Students. Students who will be attending their third or fourth year of college are eligible for Commonwealth financial aid if they have in the previous academic year a cumulative grade point average of 2.0 in a 4.0 system, or a passing grade in a pass/fail system.
- C. Graduate and Professional Students. Students pursuing graduate studies in medicine, dentistry, law or a master's degree in a subject area directly applicable to the teaching profession in the Commonwealth are eligible to receive Commonwealth financial aid if they maintain a cumulative grade point average acceptable at their institution for continuation in their studies.
- D. Summer Session Students. Students who can attend only summer session because of the nature of their employment with the Commonwealth government or with a private school may be considered for student financial aid.

## Section 8. Scholarships for Undergraduate Students

- A. Health Profession Scholarships. Students in any of the fields of allied health listed below may be eligible for an additional Health Profession Scholarship in the following amounts: a) \$750 per annum with an accumulated GPA of 3.0 or above, or b) \$500 per annum with an accumulated GPA of 2.5 to 2.99. Applicable fields are: Medical Technology, Dental Health, Nutrition, Radiology Technology, Physical Therapy, Respiratory Therapy, Health Planning, Pharmacy, Laboratory Science, Medical Records.
- B. Nursing Students. Students who are accepted into a nursing program are eligible for Commonwealth financial aid not to exceed \$6,000 per academic year.
- C. Governor's Scholarship. A scholarship not to exceed \$7,600 per academic year will be awarded to juniors and seniors whose GPA is 3.0 to 3.4.
- D. Regents' Scholarship. A scholarship not to exceed \$9,000 per academic year will be awarded to juniors and seniors whose GPA is 3.5 to 4.0.

## **Section 9. Financial Aid Requirements & Restrictions**

- A. Each year applicants for Commonwealth student financial aid must submit the following documentation along with the application for aid:
1. An official letter as proof of admission; (This requirement is for "new applicants" only. See Section 2. D above.)
  2. A current official transcript mailed directly to the Financial Aid Office from the Registrar's Office of the last institution attended;
  3. Documents establishing U.S. citizenship, Commonwealth residency and voter status;
  4. A completed and signed Memorandum of Agreement and/or Promissory Note.
- B. For release of spring term financial aid, continuing students must submit fall term grades or a letter from their advisor that they are in good standing.
- C. Except for reasons beyond his/her control, a recipient of financial aid who fails to complete a full course of studies each term shall not be eligible for further financial aid until the financial aid for the uncompleted courses has been returned to the Financial Aid Office or an arrangement for repayment acceptable to the Financial Aid Office has been made.
- D. Applications for the Fall Semester must be postmarked by July 1, and applications for the Spring Semester must be postmarked by December 1.

## **Section 10. Appeal**

- A. An applicant may appeal a disapproval of financial aid by submitting the following to the Board of Regents:
1. A letter stating why the applicant believes he/she was wrongfully denied financial aid or any special consideration the Board should recognize;
  2. Other documents such as letters, statements or affidavits supporting the applicant's desire for special consideration;
  3. (In cases where financial aid has not been granted because the applicant failed to meet necessary requirements): A statement of a remedial course of action the applicant will take to satisfy the requirements that were not met.

- B. The letter of appeal must be submitted to the Chairperson of the Board within fourteen (14) calendar days after the applicant receives notification of disapproval of his/her application.
- C. The Board of Regents shall decide the appeal within thirty (30) calendar days of receipt of the letter of appeal.

**Section 11. Change in Funding Levels**

In the event of a change in the funding level appropriated by the Legislature, the Financial Aid Office may change the award levels given under Section 12 below ("Basis for Awards"). However, financial aid already awarded shall not be affected during the period for which it was given. Applicants will be notified by the Financial Aid Office of the changes in award levels necessitated by a reduction in funding.

**Section 12. Basis for Awards**

The following schedule of cumulative GPA's and amounts will be used by the Financial Aid Office as the basis for awarding financial aid.

A. For Undergraduates

<u>GPA</u>	<u>Semester</u>	<u>Year</u>
2.50 to 2.99	\$2,000	\$4,000
2.00 to 2.49	\$1,750	\$3,500

B. For Graduate and Professional Students Per Academic Year

<u>Field of Study</u>	<u>Loan</u>	<u>Grant</u>
Education	\$5,000	\$5,000
Nursing	\$6,000	\$6,000
Law	\$8,000	\$6,000
Dentistry	\$8,000	\$7,000
Medicine	\$10,000	\$8,000

**Section 13. Repayment of Loans**

- A. A recipient of a Commonwealth loan for studies in medicine, dentistry, nursing, law or a master's degree in a subject area directly applicable to the teaching profession in the Commonwealth who returns to practice in the Commonwealth shall receive an annual cancellation of the loan in the amount of twenty percent (20%) of the principal amount of the loan for each year of such practice.

**Section 14. Effective Date**

By a directive of the Board of Regents adopted on July 1, 1993, this policy is to take effect on January 1, 1994.

## CERTIFICATION

I, Karl T. Reyes, Vice Chairman of the Northern Marianas College Board of Regents, by signature below hereby certify that the policy to govern administration of local financial aid for students attending postsecondary education institutions outside the Commonwealth is a true, correct and complete copy of the policy which was approved by the Board of Regents with an implementation date of January 1, 1994. I further request and direct that this certification and the policy on Commonwealth financial aid for students attending or accepted to attend institutions of higher education outside the Commonwealth be published in the Commonwealth Register.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed on the 8<sup>th</sup> day of July, 1993 on Saipan, Commonwealth of the Northern Mariana Islands.

  
A handwritten signature in black ink, appearing to read 'Karl T. Reyes', is written over a horizontal line. The signature is stylized and cursive.

PUBLIC NOTICE

DEPARTMENT OF NATURAL RESOURCES  
PROPOSED REGULATIONS TO PREVENT INTRODUCTION OF THE  
BROWN TREE SNAKE INTO THE CNMI

The Director of the Department of Natural Resources hereby finds that the public interest requires adoption of amended regulations regarding inspection and certification procedures to prevent the introduction of the brown tree snake (Boiga irregularis) into the CNMI. The regulations establish a procedure for obtaining snake free certification of air and ship cargo prior to entry in the CNMI and assess penalties for failing to comply.

The Director of the Department of Natural Resources is authorized to promulgate these regulations pursuant to 1 CMC Section 5320-5329. Such regulations are published in accordance with 1 CMC Section 9104. Notice is hereby given of the Department's proposed adoption of these regulations. Pursuant to 1 CMC Section 9104, comments regarding the contents of these regulations may be sent to the Office of the Director, Department of Natural Resources, Saipan, MP 96950 within thirty (30) days of the date of their publication in the Commonwealth Register.

NICOLAS M. LEON GUERRERO  
DIREKTOODUL  
Dipatamentool Natural Resources

PART 1

GENERAL PROVISIONS

SECTION 1.1. Authority

Under the Authority granted in 2 CMC, Div. 5, Chapter 3, Article 2, Section 5320 through 5329 of the Commonwealth Code for the Northern Mariana Islands, the Director of Natural Resources hereby promulgates Regulations concerning the control and prevention of the introduction and further dissemination of injurious pests and diseased animals into the Commonwealth.

SECTION 1.2. Purpose

To prevent the establishment and limit the entry of non-native reptiles and amphibians in the Commonwealth of the Northern Mariana Islands, with particular emphasis on the prevention of the establishment of the brown tree snake Boiga irregularis.

SECTION 1.3. Definitions

For the purpose of these regulations, the following terms are defined in alphabetical order:

- a. "Consolidated" means goods or containers that are off-loaded and opened somewhere on Guam before shipment to CNMI.
- b. "Director" means the Director of the Department of Natural Resources of the CNMI.
- c. "High-risk cargo" means any shipment leaving Guam by sea or by air, including cargo (e.g. construction materials, pipes, machinery, lumber).
- d. "Non-Native" means any species whose natural origin is from a different part of the world; foreign.
- e. "Shipment" means goods that are transported by air or sea.
- f. "Snake-exclusion area" means any area from which the entry of snakes is prevented by methods determined effective by the Director.
- g. "Snake Inspection Certification" means that CNMI quarantine personnel or designated representatives have established that the shipment meets the criteria set by the Director to be free from snakes and that such

certification has been issued in writing. The criteria for certification are delineated in Section 3.2.

- h. "Transshipped" means goods or containers that are off-loaded and reloaded in Guam.

## PART 2

### HIGH-RISK CARGO

#### SECTION 2.1 Identifying high-risk cargo

High risk cargo includes the following:

- a. Any shipment which originates from Guam.
- b. Any shipment which has been transshipped through Guam and remains there for more than 24 hours or has been consolidated there.

#### SECTION 2.2 Handling of high-risk cargo

All sea cargo must be placed in and inspected and certified within a snake-exclusion area to be loaded directly aboard ship.

## PART 3

### SNAKE-FREE CERTIFICATION

#### SECTION 3.1 General

The methods of ensuring that snakes are not present in a given shipment are changing on the basis of on-going research. As noted below, some techniques require that the Director in consultation with the Chiefs of the Divisions of Fish and Wildlife and Plant Industry make a determination as to their effectiveness. Cargo must be certified as snake-free by CNMI quarantine personnel or designated representative on Guam.

SECTION 3.2 Making the snake-free determination

A high risk sea shipment must be inspected and certified as snake-free on the basis of any two of the following techniques. High risk air cargo must be inspected and certified as snake free by anyone of the following techniques.

a. Visual inspection, which means

Shipments that can be thoroughly inspected visually both inside and out. It is suitable for straight pipe if the interior of each pipe is checked and the load is broken open to check all open spaces. Visual inspection is not a suitable means of certification for curved pipes or for materials with complex hiding places such as vehicles. Inspection of these items may be supplemented with the injection of a known volatile irritant to snakes in accordance with recommendations from the Director.

b. Canine detection, which means

Upon approval from the Director in consultation with the Chiefs of the Divisions of Fish and Wildlife and Plant Industry, shipments checked by a dog trained in locating snakes may be certified as snake-free.

c. Fumigation, which means

Any shipment fumigated with appropriate chemicals and techniques as approved by the Director in consultation with the Chiefs of the Divisions of Fish and Wildlife and Plant Industry, may be certified as snake-free.

d. Fatal maximum temperatures, which means

Any cargo left on Guam, with container closed with maximum sustained lethal temperatures inside for a period of 72 hours immediately prior to loading may be certified as snake free.

e. Other techniques, which means

Any new method determined effective and approved by the Director in consultation with the Chiefs of the Divisions of Fish and Wildlife and Plant Industry.

### SECTION 3.3 Issuance of the snake-free certificate

Upon determining by the methods specified in Section 3.2 that the shipment is snake-free, the CNMI quarantine office or its designated representative will issue a certificate in Guam to accompany cargo to Saipan. This certificate shall state clearly and legibly, the following information:

- a. The name and authority of the inspector and office issuing the certificate.
- b. The locations of transshipment, if any.
- c. The consignor for the shipment.
- d. The consignee for the shipment.
- e. The contents in the shipment, including a copy of the bill of landing.
- f. The methods described in Section 3.2 by which the snake-free status was established.
- g. The signature of the person making the determination.

## PART 4

### STANDARDS FOR SNAKE-EXCLUSIONS AREAS

#### SECTION 4.1 General

Snake-exclusion areas are needed for handling sea shipments prior to transport. The basic features of these areas are a snake-proof barrier around the perimeter and snake detection devices within the area. Both the barrier and the detection devices must be of designs approved by the Director in consultation with the Chiefs of the Divisions of Fish and Wildlife and Plant Industry.

#### SECTION 4.2 Barrier Specifications

No structures (e.g. shrubs, trees, cargo) are to be located within six feet of the functional side of the barrier.

## DRAFT OF SNAKE REGULATIONS

- a. A smooth concrete wall not less than seven feet in height with snake traps incorporated at the base. Any joints must be smooth enough and free of adjacent vegetation to prevent snakes from climbing. Corners should be rounded to reduce opportunities for snakes to climb.
- b. Fence/electric fence. A 4 foot high fence with a mesh lining containing holes not larger than 1/4 inch with at least five wires placed 6+ inches apart and flush with the non-conducting fence to eliminate climbing snakes. The fence is to be routinely checked for damages and will be considered inoperative if it contains holes larger than 1/4 inch. The electric fence will provide a nonlethal pulsed electrical current and must have a back-up power source to supplement that supplied by the utility company.

### SECTION 4.3 Snake detection devices

- a. Snake detection devices must be placed at various locations inside and out of the cargo containers, and around the exclusion-area such that all shipments are adjacent to a detection device on at least one side.
- b. A snake detection device consists of a trap or lethal device and or an attractant. Live mice are currently the best known attractants available. They must be placed in permanent or portable traps which have been tested and shown to be effective for brown tree snakes and meet Division of Fish and Wildlife design specifications. Snap traps, glue boards and other devices may be used with consent of the Director in consultation with the Chief of the Division of Fish and Wildlife.
- c. Gates into the exclusion-areas should be minimized and form snake-proof barriers when closed. They should remain closed unless a person is present to visually check that no snakes enter or leave the area.

PART 5

PENALTIES

Pursuant to Subsection 5329 (a), 2 CMC, Division 5, any person (e.g shipping agents, transportation companies, etc.) violating any part of these regulations (e.g falsifying documents, falsely reporting history of cargo or failure to secure snake free certification) shall upon conviction, be imprisoned for not more than six (6) months or fined not more that TWO THOUSAND DOLLARS (\$2,000.00) or both for each infraction. An additional civil fine may be imposed for the cost of development and implementation of a program to capture, control, or eradicate the snake. The Director may also refuse entry, confiscate, destroy, or order the return to its place of origin any shipment found in violation of these regulations. Under Section 5329 (b), the Chief may assess against any person violating any provision of these regulations issued under the following fines:

Amount of Fine Not Less Than:

First Offense:	\$100.00
Second Offense:	\$500.00
Third Offense:	\$1,000.00
Subsequent Offenses:	Subject to trial in Court of Law

PART 6

APPLICABILITY, PROCEDURES, AND SEVERABILITY

SECTION 6.1 Applicability

This regulation shall apply in full force and effect all cargo, and persons owning such cargo, which enter any of the islands of the CNMI.

SECTION 6.2 Procedures

The Director shall have the authority to prescribe all necessary procedures not inconsistent with these regulations to effectuate the full and complete implementation of these regulations.

SECTION 6.3 Severability

If any provision of these regulations are held invalid by a court of competent jurisdiction, the validity of the remaining provisions of those regulations shall not be effected.
