Employees, at all levels, will be held accountable for their actions, and disciplinary actions will be used as deterrent and corrective measures to assist in attainment and maintenance of the high standards of ethical conduct and behavior set by the Commonwealth Ports Authority. Disciplinary actions will be categorized as Adverse Action where a tangible change to employment status occurs, and Non-Adverse Action where no tangible change occurs.
 - (1) Authority to Take Adverse Action Disciplinary Measures. Unless otherwise specified by law, the authority to hire is followed by the authority to effect adverse actions. For this purpose, the designated official will be the Executive Director.
 - (2) Authority to Take Disciplinary Measures. Unless otherwise restricted by the Executive Director, Managers and Supervisors are authorized to affect Non-Adverse Action disciplinary measures and to recommend Adverse Action disciplinary measures. Managers and supervisors will keep the Executive Director advised of performance and conduct problems.
- (e) Grounds for Disciplinary Action
Employees may be subjected to disciplinary action for reasons of cause, which shall include, but not be limited to the following:
 - (1) Non-performance of duties;
 - (2) Incompetence (inexcusable failure to discharge duties in a prompt and efficient manner);
 - (3) Insubordination;
 - (4) Breach of trust, dishonesty, or violation of Commonwealth Ports Authority policies, rules, regulations or law;

- (5) Excessive tardiness or absenteeism;
 - (6) Violent conduct in the workplace;
 - (7) Inappropriate behavior in the form of discrimination or harassment;
 - (8) Convicted of a felony or of a misdemeanor involving moral turpitude.
- (f) Non-Adverse Action Disciplinary Measures
- (1) Verbal Admonishment. A verbal admonishment, in the form of a counseling or warning, is an informal disciplinary measure. A manager or supervisor may discuss at any time minor deficiencies in performance or conduct with the objective of improving an employee's effectiveness. Verbal Admonishments shall not be made a matter of record in the employee's Official Personnel File (OPF).
 - (2) Written Admonishment. A written admonishment, in the form of a counseling or warning, is also an informal disciplinary measure that normally occurs when minor deficiencies in performance or conduct reoccur after a Verbal Admonishment or for a more serious deficiency or incident. Written Admonishments will be maintained as a matter of record in the employee's OPF.
 - (3) Reprimand. A reprimand is a formal means of calling to an employee's attention minor deficiencies in performance or conduct which, if continued, may result in further disciplinary measures. It is the first formal step in the disciplinary process. Reprimands are always in writing and should contain specific references to performance deficiencies, citations of instances of misconduct, and a warning that more stern disciplinary measures may be taken if the employee's performance or conduct is not improved. A copy of the reprimand becomes a part of the employee's OPF as a matter of record. There is no recourse to formal appeal processes as a result of a reprimand; however, an employee who feels a reprimand is not justified may resort to the grievance procedure.
 - (4) Suspension Not to Exceed Three Working Days. A suspension is an action placing an employee in a non-duty and non-pay status for disciplinary reasons for a period not to exceed three working days. There is no formal appeal from such a suspension, although the employee may resort to the grievance procedure if the employee feels the suspension is improper or not justified.
 - (5) Overtime-Exempt Employee Suspensions. A suspension without pay for periods less than five working days shall only be imposed in respect to an employee who is covered by the overtime provisions of the Fair Labor Standards Act (FLSA). An employee who is exempt from the overtime provisions of the Fair Labor Standard Act (FLSA) must receive suspensions without pay in periods of a full five working days, except in situations of misconduct, defined by the FLSA as serious safety or work rule infractions, where a lesser period may be permitted by the FLSA. The period of suspension for an exempt employee for attendance or performance matters shall be served in five working day periods on consecutive days consisting of entire workweeks.
- (g) Adverse Action Disciplinary Measures
- (1) Furlough. A furlough is an action placing an employee in a non-duty and non-pay status because of lack of work or funds. It is an adverse action if for a period of thirty calendar days or less. Furloughs of more than thirty calendar days are reduction-in-force actions and shall be accomplished using reduction-in-force procedures, as set forth in §40-40-135.
 - (2) Suspension for More than Three Working Days. A suspension is an action placing an employee in a non-duty and non-pay status for disciplinary reasons. The Executive Director may suspend an employee for such cause as will promote the efficiency of the government service, provided all adverse action procedures are followed.

- a. A suspended employee shall be put on leave without pay status and shall not be allowed to use annual leave, sick leave or compensatory time during the period of suspension (once the decision is final and all appeals processes exhausted).
 - b. The period of suspension shall not exceed thirty days for a single adverse action and will consist of five work day periods, for example, five days, ten days and fifteen days. Suspensions in respect to an FLSA overtime exempt employee shall be served on consecutive days and for entire workweeks.
 - c. No employee shall be suspended for a total of more than thirty days in any twelve-month period.
- (3) Termination. The Executive Director may terminate an employee for just cause provided all adverse action procedures are followed.
- (4) Termination for Abandonment of Job.
- a. An employee absent without leave without valid reason, for a combined total of ten working days in any twelve month period, may be terminated from employment for job abandonment, provided all adverse action procedures are followed.
 - b. An employee absence without leave without valid reason, for ten consecutive working days may be considered, in effect, a resignation. Adverse Action procedures will not be required in such instances. The Executive Director may elect not to effect such termination, however, if it is determined that circumstances warrant such action. Nothing in this subsection shall preclude the Executive Director from taking other disciplinary action against an employee for absence without leave.
- (5) Reduction in Rank or Pay.
- a. "Reduction in rank" means a reduction in status of more than one numerical grade or pay level under the classification system. It means lowering an employee's relative standing in the organizational structure as determined by the employee's official position description. An employee's position assignment may be changed only by an official personnel action. When an employee is made the subject of an official personnel action which results in lowering the employee's relative standing in the organizational structure, a reduction in rank has occurred even though there has not been a reduction in class or pay level. Such actions may be taken only under adverse action procedures.
 - b. "Reduction in pay" means reduction in basic class and pay level of an employee. The base pay is fixed by law or administrative action. Base pay does not encompass extra or additional payment for special conditions or duties which are regarded as premium pay or allowances. To reduce class and pay level for disciplinary reasons, such actions must follow adverse action procedures.
- (h) Procedure for Taking Adverse Actions
- (1) The Executive Director determines, based on information received from the Human Resource Manager, that a disciplinary action requiring termination, suspension for more than three working days, furlough without pay or reduction in rank or pay is necessary.
 - (2) The Executive Director must give the employee at least thirty days' advance written notice of the proposed action. In the event that criminal charges are filed against an employee, the employee may be immediately suspended without pay, reassigned, allowed to take annual leave, or be subject to such other action as management may deem necessary. In the event the charges are dismissed or the employee is found not guilty, the employee may be reinstated with benefits and pay.
 - (3) The notice must state specifically and in detail any and all reasons for the proposed action.

- (4) The employee has the right to answer personally and/or in writing. The employee shall be allowed not more than twenty days to answer the notice of proposed action. Three work days within the allowed twenty days shall be official time in which to secure affidavits and prepare an answer.
 - (5) If the employee answers, the Executive Director must consider that answer.
 - (6) If at all practicable, the employee must be kept on active duty in the regular position during the notice period. Based upon the circumstances, however, the employee may be suspended during the advance notice period and placed on leave with pay. However, if the adverse action is a termination or is drug-related, the employee may be placed on leave without pay or, with the employee's consent, carried on annual leave during the notice period.
 - (7) If not placed on leave without pay, an employee whose adverse action is drug-related (as prohibited by Part 500 of this Chapter) will not be permitted to perform any safety-sensitive functions during the notice period.
 - (8) The Executive Director must give the employee a written decision before the adverse action is put into effect. The decision must state which of the reasons in the advance notice have been found sustained and which have been found not sustained.
 - (9) The decision must tell the employee of appeal rights.
 - (10) After a decision resulting in an adverse ruling, the Executive Director shall apprise the employee of the employee's right to appeal the adverse action to the Personnel Affairs Committee. The employee shall present such appeal, in writing, to the Personnel Affairs Committee, which will review and act upon the written submission of the employee. The employee shall submit such appeal within fifteen working days after receipt of notice of the Executive Director's action. The Personnel Affairs Committee shall act on the employee's appeal within fifteen days after it is received from the employee by beginning the hearing process as set forth in §40-40-125;
 - (11) A majority of the members of the Personnel Affairs Committee must consider the appeal. A decision on the appeal shall be made by a majority vote of the members of the Personnel Affairs Committee considering the appeal. The decision of the Personnel Affairs Committee shall be final;
 - (12) In the event that the Committee overrules the adverse action, the employee shall be reinstated with full rights and privileges and shall receive 100% of the pay and associated benefits to which the employee would have been entitled during the employee's termination, furlough, or suspension, or as a result of the employee's reduction in rank or pay;
 - (13) Advance written notice and opportunity to answer are not necessary if the employee is furloughed due to unforeseeable circumstances, such as sudden breakdowns in equipment, acts of God, or emergencies requiring curtailment of activities.
- (i) Summary of Steps for Taking Adverse Actions
- (1) Misconduct triggering use of the adverse action procedural system
 - (2) Executive Director's letter of proposed adverse action
 - (3) Employee's answer and/or presentation of evidence
 - (4) Executive Director's letter of decision
 - (5) Employee's written appeal to Personnel Service Committee
 - (6) Personnel Affairs Committee hearing
 - (7) Personnel Affairs Committee decision (administrative remedies exhausted at this point)
 - (8) Legal recourse
- (j) Separation during Probation

- (1) If it becomes evident during the probationary period that the employee lacks the ability, attitude or desire to become an efficient and productive employee in the position to which appointed, or there is lack of funds or work to be done, that employee shall be separated from the service. However, if the probationary employee claims that the apparent lack of ability, attitude, or desire is due to a disability under the Americans with Disabilities Act (ADA), the provisions of that act shall be followed, as applicable.
- (2) The Executive Director shall provide the employee with not less than fourteen calendar days of notice, in writing, specifying the reasons for the separation.
- (3) Grievance, adverse action and reduction-in-force procedures do not apply to separations during probation.

§40-40-125 Appeal Rights of the Employee from any Adverse Action Decision

- (a) An employee who is the subject of an adverse action decision of the Executive Director may appeal the adverse action. The appeal must be in writing and delivered personally or by certified or registered mail to the Personnel Affairs Committee, copied to the Executive Director, within fifteen working days after receipt of notice of the Executive Director's adverse action. The appeal must give the employee's reasons for contesting the adverse action, together with any offer of proof and pertinent documents the employee desires to submit. It should also include a request for a hearing if the employee so desires. Employees located away from Saipan must also meet the fifteen calendar-day period for filing an appeal to the Committee. If certified or registered mail is utilized, the appeal must be postmarked no later than the 15th calendar day. The Executive Director may submit responsive comments within five (5) days of getting the Employee's written appeal. In any appeal the appealing employee and the Commonwealth Ports Authority have certain rights which shall not be denied. These include:
 - (1) Right to a Hearing.
 - a. Upon the filing of an appeal by an employee, both the Commonwealth Ports Authority and the employee are entitled to a full and fair hearing before the Personnel Affairs Committee or a hearing officer designated by the Board of Directors, to present evidence and to be represented by counsel. At the hearing, although Commonwealth rules of evidence shall not apply, the testimony shall be recorded. The Personnel Affairs Committee shall render its findings of fact and final decision in writing with service on all parties within 15 days after such hearing.
 - b. Only one hearing will be held, unless the Personnel Affairs Committee determines that unusual circumstances require a second hearing. Any evidence may be presented at the hearing which the Personnel Affairs Committee or hearing officer allows, that bears on the issue of whether the adverse action taken was justified and proper.
 - (2) Freedom from Reprisal or Interference.
 - a. An employee and the employee's representative must be free to exercise the employee's rights under this subsection without restraint, interference, coercion, discrimination or reprisal when seeking an appeal of his/her administrative action decision.
 - b. An employee, whether acting in an official capacity for the Commonwealth Ports Authority or on any other basis, must not interfere with, or attempt to interfere with, another employee's exercise of rights under this subsection. To be fully effective, the spirit as well as the letter of the requirement must be enforced. It is not enough to abstain from overt acts or interference. The employer must also refrain from making

any statement or taking any action that has the appearance of a threat, interference or intimidation.

(3) Employee Representation.

- a. Employees have the right to present an appeal of an administrative action decision without representation. They also have the right to be accompanied, represented and advised by a representative of their choice at any stage of the proceeding. Employees may change their representative, but to do so, they must notify the Personnel Affairs Committee of the change, in writing.
- b. An employee may select another Commonwealth Ports Authority employee as his/her representative, provided that such employee is willing to provide the representation. In addition, the representative must be free to do so.
- c. An employee is free to select as his/her representative anyone outside the Commonwealth Ports Authority, but entirely at the employee's own expense.

(4) Commonwealth Ports Authority Representation.

- a. If the employee does not have an attorney-representative, the Commonwealth Ports Authority's representative at a hearing will be the Executive Director or his or her designee.
- b. The Commonwealth Ports Authority's legal counsel will represent the Commonwealth Ports Authority if the employee does have legal representation.

(5) Employee Entitled to Official Time to Prepare an Appeal.

- a. Employees are entitled to a reasonable amount of official time to prepare their appeal if they are otherwise in an active duty status. If the employees' representatives are employees of the Commonwealth Ports Authority, they are also entitled to a reasonable amount of official time to prepare the appeal if they are otherwise in an active duty status. Both the employees who appeal and the employees who act as representatives shall make arrangements with the Human Resource Manager for use of official time.
 - b. The Human Resource Manager shall determine the reasonable amount of official time that is to be granted and will inform the supervisors of the employees and of the employees' representatives. The time to be allowed must necessarily depend on the facts and circumstances of each case, e.g., the number and nature of the reasons stated in the letter of decision, the specifics, the volume of the supporting evidence compiled by the Executive Director, the availability of documents, witnesses, assistance at the employee's place of employment and similar considerations.
 - c. If preparation requires more official time than was originally considered reasonable, the employees or their representatives may request the Human Resource Manager for more time. The request should explain fully why more time is needed. The Human Resource Manager will determine if the request is reasonable and should be granted. If granted, the Human Resource Manager will make the necessary arrangements.
- (b) The Personnel Affairs Committee may retain an attorney or other professional to assist with legal, human resource management, or other necessary expertise.
- (c) Preparation for Hearing.
- (1) When the Personnel Affairs Committee establishes a hearing date, it will notify the Human Resource Manager, giving the employee's name, title, grade, and department unit.
 - (2) Separately, the employee and the Human Resource Manager will be required to furnish the Personnel Affairs Committee and the other party the following information:

- a. Employee's list of witnesses containing the name, location and occupation of each witness; a summary of each witness' anticipated testimony; and the availability of each witness in the area of the employee's duty station during the next thirty days.
 - b. Commonwealth Ports Authority's list of witnesses containing the name, location and occupation of each witness; a summary of each witness' anticipated testimony; and the availability of each witness in the area of the employee's duty station during the next thirty days.
 - c. The availability of the employee and representative and the Executive Director and representative, in the area of the employee's duty station during the next thirty days.
- (3) The Personnel Affairs Committee shall direct the Human Resource Manager to make available to the employee the Commonwealth Ports Authority's entire adverse action file for review and reproduction, subject to redaction of confidential information.
 - (4) The employee may inspect and copy any part of the appeal file upon making request. The Commonwealth Ports Authority will redact any confidential information prior to releasing the file.
 - (5) The employee may request that the Commonwealth Ports Authority, at its own expense, produce at the hearing as witnesses those employees of the Commonwealth Ports Authority whose testimony the employee alleges, in writing, to be pertinent to the issues and necessary to the employee's defense. The employee may include in the list of witnesses non-Commonwealth Ports Authority individuals, but arrangements for their presence at the hearing are the obligation of the employee and will be at the expense of the employee unless otherwise ordered by the Personnel Affairs Committee.
- (d) Appeal File.
- (1) When an employee files an appeal from adverse action with the Personnel Affairs Committee, the Human Resources Manager must establish and maintain an appeal file on behalf of the Personnel Affairs Committee containing copies of all available pertinent documents. The originals of all pertinent documents will be forwarded immediately to the Personnel Affairs Committee. The appeal file is independent, separate and distinct from the Official Personnel File.
 - (2) The appeal file, both with the Human Resources Office and the Personnel Affairs Committee, must contain all documents pertinent to the appeal, such as:
 - a. A copy of the notice of proposed adverse action with supporting documents;
 - b. The employee's written answer, if any;
 - c. A transcript or summary of the employee's presentation of oral evidence and copies of documents presented;
 - d. A copy of the letter of decision;
 - e. The employee's written notice of appeal;
 - f. Any pertinent evidence developed after issuance of the notice of proposed adverse action;
 - g. The lists of witnesses submitted by both parties;
 - h. The reason(s) for not granting a hearing when one is not granted;
 - i. The reason(s) for not producing witnesses at the hearing;
 - j. The transcript of the Personnel Affairs Committee hearing when a hearing is held;
 - k. The recommendation(s) of the Personnel Affairs Committee, if any; and
 - l. A copy of the decision of the Personnel Affairs Committee.
- (e) If at any time after the appeal has reached the Personnel Affairs Committee, it finds a regulatory or procedural defect which would warrant reversal of the action taken by the Executive Director, the Personnel Affairs Committee will prepare a report of its findings on

the issue, and order the reversal of the action of the Executive Director. Copies of the findings and the order will be served on all parties.

- (f) If an employee appeals the Executive Director's decision given in accordance with adverse action procedures, that decision shall remain in effect unless and until the Personnel Affairs Committee has entered its decision on the appeal.
- (g) The Personnel Affairs Committee may enter such decision on appeals decided by it as it finds the circumstances of the case require and that it deems just and proper.

§40-40-130 Resignation

- (a) Resignations shall be in writing and shall be submitted to the resigning employee's manager at least fourteen calendar days in advance of the effective date. Management employees should provide a minimum of thirty days of notice. Employees who do not provide the required notice will not receive payment for unused leave unless the Executive Director certifies payment authorization in writing due to exceptional circumstances.
- (b) The manager shall submit a copy of the written resignation to the Human Resource Manager for processing of the action.
- (c) The Human Resource Manager is responsible for informing the employee of his/her obligations to the Commonwealth Ports Authority and for securing the return of all Commonwealth Ports Authority property, including keys and identification cards.
- (d) Withdrawal of a resignation may be permitted, provided:
 - (1) The employee's wishes are made known, in writing, prior to the effective date; and
 - (2) The Executive Director agrees to the proposed withdrawal.
- (e) An exit interview shall be scheduled and conducted during working hours by the Human Resource Manager upon notice of resignation. Such interview shall include questions on the reasons for resignation and counseling on benefits. The Human Resource Manager shall not process exit documents until the interview is completed. If circumstances make such interview impractical, an employee may ask the Executive Director to waive this requirement.
- (f) Employees will receive their final payment at the next regular payday following the effective date of resignation.

§40-40-135 Reduction in Force Planning and Implementation

- (a) The Commonwealth Ports Authority, within its available resources, will provide job security to every permanent employee. When it becomes necessary to reduce the work force, every effort will be made to insure that the reduction is accomplished with a minimum disruption in operations and a minimum negative impact on each employee affected.
- (b) Coverage. This Section applies to all classified employees of the Commonwealth Ports Authority, as defined in this Chapter. Appointed and contracted employees are not covered by this Section.
- (c) Reduction-in-Force Planning. When it becomes evident that a reduction-in-force must be implemented, the Executive Director shall notify the Board of Directors of the necessity and provide all employees with written notice of the Commonwealth Ports Authority's intention to take reduction-in-force action at least sixty days in advance.
- (d) Competitive Processes. Detailed competitive processes shall be established by the Executive Director to ensure equitable competition, recognition of seniority and tenure, and protection of the public interest. For administrative purposes, competition shall be limited by the establishment of competitive areas and recognition of competitive levels.
 - (1) Competitive Areas. For all positions:
 - a. Area 1. Saipan

- b. Area 2. Rota
- c. Area 3. Tinian
- (2) Competitive Levels. Competitive levels are comprised of all positions within a competitive area which consist of the same or closely related duties, have essentially the same qualifications, and are in the same class and pay level.
- (3) Tenure Groups. For the purposes of reduction-in-force, Commonwealth Ports Authority employees shall be classed in tenure groups as follows:
 - a. Tenure Group I - All permanent employees.
 - b. Tenure Group II - Employees serving in a probationary appointment.
 - c. Tenure Group III - Employees serving in limited term or provisional appointments.
- (4) Competition within a Competitive Level.
 - a. When a permanent employment position is abolished within a competitive level, the incumbent shall displace the employee with the lowest retention standing in that competitive level. Employees in tenure groups III and II in any competitive level will be separated from employment in that order before the separation of any permanent employee in Tenure Group I.
 - b. If an employee whose position is abolished does not have sufficient retention standing to displace another employee, that employee shall be allowed to exercise retreat rights.
- (5) Retreat Rights. When an employee has insufficient retention standing to compete within that employee's competitive level, the employee shall compete down the line of promotion. This is known as the exercise of retreat rights. An employee may displace the employee with the lowest retention standing below that of the released employee in the highest competitive level from which promoted. The employee shall continue to compete at successively lower levels along the line of promotion until placed or, if placement cannot be made, separated by reduction-in-force.
- (6) Creditable Service for Reduction-in-Force. Only the period of service worked with the Commonwealth Ports Authority will count as creditable service in the calculation of retention standing.
- (7) Retention Standing. Retention standing is derived by allotting one point for each year of creditable service, and an additional two points for each overall rating of "very good performance" or better or each exceptional overall rating of 4.2 or better, depending on the evaluation scale in use by the Commonwealth Ports Authority for the service year. Missing performance evaluations cannot be made up. In competing with other employees for retention in a competitive level, the individual with lowest retention standing shall be released first.
- (8) Reemployment Eligibility. Permanent employees who are separated by reduction-in-force shall be eligible to apply for internal announcements of open positions for three years or until returned to duty in a permanent position with the Commonwealth Ports Authority at any level.
- (e) Limitations on Competition. Employees who are absent on military leave, approved educational leave, or temporarily promoted shall not be placed in reduction-in-force competition until they have returned to duty. Similarly, the employee's positions shall not be abolished until the employee returns to duty in that position. The Human Resource Manager will keep a record that will assure recognition and protection of the position and its incumbent.
- (f) Furlough and Separation.
 - (1) The Executive Director may use furloughs for more than thirty days if there is reasonable assurance that the employees furloughed will be returned to duty within the next twelve months.

- (2) If there is reasonable doubt regarding the return to duty of furloughed employees, then the Executive Director must separate the employees found to be in excess of the Commonwealth Ports Authority's needs and proceed according to reduction-in-force procedures.
- (3) A combination of furlough and separation may be used to clear the rolls of excess employees, provided no employee is separated while furloughed employees with lower retention standing are kept in furlough status.
- (4) Furlough for thirty days or less may be used for clearing the rolls temporarily, not to exceed thirty days when there is positive assurance that employees so furloughed can return to duty within the thirty-day period.
- (g) Vacant Positions. During reduction-in-force situations, management has no obligation to fill vacant positions by placement of employees whose positions have been abolished or who have been released from their competitive level.
- (h) Assignment Rights (Bumping). Assignment rights allow the displacement of an employee in a lower competitive level position.
 - (1) Employees released from their competitive level who have exhausted their retreat rights without success may exercise assignment rights provided that they:
 - a. Meet the qualification requirements and other standards for the position established by the Human Resource Manager;
 - b. Have the capacity, adaptability and special skills needed to perform satisfactorily the duties and responsibilities of the position without undue disruption of the activity. For the purposes of this subsection, an undue disruption occurs only if the employee placed in a position through assignment requires more than ninety calendar days training to reach the full performance level for the position.
 - (2) An employee in Tenure Group I exercising assignment rights may displace another permanent employee with lower retention standing in another competitive level that requires no reduction, or the least possible reduction, in compensation rate.
 - (3) Due to the specific nature of the Commonwealth Ports Authority departments, assignment rights are limited to within the employee's department. Assignment rights (bumping) will not be authorized between departments.
 - (4) Reduction-in-force activities within the Commonwealth Ports Authority will effect Commonwealth Ports Authority employees only. Service within the Commonwealth Ports Authority will not provide a separated employee with bumping rights elsewhere in the government. Similarly, the Commonwealth Ports Authority will not recognize bumping rights from separated employees who worked outside of the Commonwealth Ports Authority.

§40-40-140 Severance Pay.

- (a) Severance pay is limited to classified permanent employees only.
- (b) Tenure Group I employees who are separated from the Commonwealth Ports Authority by reduction-in-force are entitled severance pay computed as follows:
 - (1) For each full year of creditable service with a Commonwealth government entity, the employee is entitled to one-half of the employee's biweekly pay rate in effect upon separation by reduction-in-force.
 - (2) For each full three months of service beyond the total full years of service, the employee is entitled to twenty-five percent of the pay for a biweekly period at the rate in effect upon separation by reduction-in-force. Not more than seventy-five percent of the pay for one biweekly period shall be paid under this part-year provision.

- (c) Severance pay is paid at the regular biweekly sequences until the entitlement is exhausted. If an employee separated by reduction-in-force is reemployed by a Commonwealth government entity in any capacity before the allowable severance pay liability is satisfied, the employee sacrifices the unpaid balance upon the employee's reemployment.
 - (1) This benefit can only be received once in an employee's employment with the Commonwealth Ports Authority. If an employee who received a partial severance benefit becomes eligible again in the future for severance pay, any severance previously received will be deducted from the new severance amount.
 - (2) If the employee's total creditable service is less than one full year, there is no entitlement to severance pay.
- (d) An employee who is offered and declines to accept another position with the Commonwealth Ports Authority which is equivalent in function, seniority, tenure, and compensation with any necessary moving expenses paid shall not be entitled to receive or continue to receive severance pay.

Part 200 - Compensation

§ 40-40-201 Coverage

- (a) Unless otherwise specified in this Part, the provisions of this Part are applicable to classified employees only.

§ 40-40-205 Timekeeping and Payment of Salary

- (a) All Commonwealth Ports Authority classified employees shall fill out and complete a time and attendance record. The Executive Director shall review and approve time and attendance records. The Commonwealth Ports Authority pay periods shall be identical with those of the government of the Commonwealth of the Northern Mariana Islands.
- (b) Executive, managerial, professional employees, and contract employees will also time in and out unless excused by the Executive Director. Those employees excused from timing in and out are expected to work the regular hours of employment.
- (c) Absences by those employees considered to be "salaried" under the Fair Labor Standards Act (FLSA) will be treated in accordance with the provisions of the FLSA.
- (d) All Commonwealth Ports Authority employees shall be paid within two weeks after the end of every pay period. Terminated employees will receive their final payment at the next regular payday following termination.

§40-40-210 Establishing Salary upon Appointment

- (a) Salary shall be fixed at the first step of the appropriate pay level upon initial employment. Should a higher rate be deemed necessary to recruit an applicant, and is appropriate to the qualifications of the applicant, the salary may be fixed at any succeeding step not to exceed step 8. Payment of salary above step 1 of a pay level must be approved by the Executive Director.
- (b) If a person is reemployed after a break in service of one or more days into a position in a class and pay level equal to or lower than the highest class and pay level previously held, the salary may be set at the highest previous rate held, provided the rate does not exceed the salary range of the new pay level.
- (c) If a person is reemployed after a break in service of one or more days into a position in a class and pay level higher than the highest class and pay level previously held, the salary may be set at no more than two steps above the highest previous rate held, provided the rate does not exceed the salary range of the new pay level.

§40-40-215 Salary Increases; Anniversary Date

- (a) An employee is eligible for a salary increase after the successful completion of his/her probationary period and the completion of 52 weeks of sustained satisfactory performance. Increases may only be awarded not less than one year from the date of his/her most recent salary increase; provided, however that no salary increase shall be granted except for sustained satisfactory performance. An employee is also eligible for a salary increase when the employee is permanently reclassified, promoted, or transferred to another position.
- (b) Within-grade Increases
 - (1) Within-grade increases may be granted to employees upon completion of fifty-two consecutive calendar weeks of satisfactory performance.
 - (2) Employees who are included under the classified system and assigned to work part-time will be eligible for a within-grade increase only at such time as the cumulative total of all hours worked equates to a standard work year of 2,080 hours and such work has been satisfactory.
 - (3) The effective date of a within-grade step increase shall be the first day of the first pay period following completion of the required waiting period.
 - (4) For all positions, approved leave in a non-pay status and/or unapproved leave not to exceed eighty hours is creditable toward the waiting period for a within-grade increase. Unapproved leave and leave without pay of more than eighty hours will extend the waiting period by at least one pay period or by the amount of time such absences exceed the eighty hours, whichever is greater.
 - (5) Time served in a non-pay status for purposes of military duty or job-related education or training is credited toward within-grade increases, the same as if the employee had been in a pay status for that period of time, provided that the employee is a registered or enrolled student. To be creditable toward the waiting period, the education program in which the employee is enrolled must be clearly and directly applicable to the employee's present position or one to which the employee may reasonably aspire, and for which the employee is released from full-time status and placed in an approved leave without pay (LWOP) status, and in which the employee performs satisfactorily as determined by management and the Human Resource Manager.
 - (6) A former employee reemployed with a break in service begins a new waiting period for a within-grade increase. No credit will be given toward the completion of this new waiting period for any time served under a former waiting period prior to the break in service.
 - (7) Time served during provisional status shall not be counted toward the required waiting period in receiving a within-grade step increase.
- (c) Merit Awards
 - (1) An employee may be awarded, in addition, a merit award (a one-time payment equal to the amount of the next one step increase in the employee's base salary) by achieving an overall performance rating of "Exceptional" upon completion of the fifty-two consecutive calendar weeks of sustained exceptional work performance corresponding to the employee's anniversary year.
 - (2) The merit award is a one-time performance award payment and not a salary step increase. Such additional merit award shall not alter the employee's waiting period required for qualifying for the next within-grade increase.
 - (3) Employees at the maximum step of their pay level cannot receive an additional within-grade increase but may be eligible to receive a 5% merit award.
- (d) An employee's effective date of hire shall be considered as the employee's service anniversary date. The anniversary date shall not be affected by a temporary transfer or

assignment. However, the anniversary date for salary increase purposes will be adjusted upon each salary increase.

§40-40-220 Salary Freeze

Classified employees who reach the maximum step in their pay level, step 12, are not eligible for any additional increase that would exceed the maximum step prescribed for the employee's pay level.

§40-40-225 Promotions

- (a) Any position opening that occurs by the establishment of a new position or by an existing position becoming vacant for any reason provides a promotional opportunity for qualified Commonwealth Ports Authority employees. Announcement of the vacancy and selection of the best qualified internal applicant will be in accordance with NMIAC § 40-40-105.
- (b) An employee who is promoted from a position in one class to an existing position in a higher class shall be compensated at the lowest step in the new pay level which at least equals the amount of two step increases in the old pay level. The rate of compensation must not exceed the rate of the maximum step in the higher pay level. The effective date of the promotion shall be the new service anniversary date for the promoted employee.
- (c) An employee shall not be promoted into a supervisory position until and unless such employee has satisfactorily completed training in workshops in the areas of basic and/or advanced supervisory management and in the physical, behavioral, and performance indicators of probable drug and alcohol use.

§40-40-230 Temporary Promotions

A temporary promotion is utilized when it is anticipated that an employee will temporarily occupy a position for a period in excess of three months. An employee can be temporarily promoted only if such employee meets the qualifications standards of the new position. The employee temporarily promoted shall be compensated at the step in the new pay level which is at least equal to an increase of two steps at the current pay level. The employee must be informed in advance and agree, in writing, that at the expiration of the temporary promotion, the employee will be returned to the former salary (level and step) that she/he would be receiving had the employee remained in the former position. No temporary promotion shall exceed a period of one year.

§40-40-235 Demotions

- (a) An employee demoted because of abolishment of position or reallocation of position to a lower pay level, except at the employee's own request, shall be compensated at the salary rate which does not exceed the employee's current pay rate. Where the employee's current rate exceeds the rate of the maximum step of the lower pay level, the employee shall be compensated at such maximum step.
- (b) An employee demoted as a disciplinary measure shall have his/her compensation reduced to the corresponding step of the lower pay level.
- (c) An employee demoted at his/her own request shall have pay set at the step in the lower pay level which corresponds to the step held in the higher level.

§40-40-245 Reallocation/Reclassification of a Position to a Higher Class

- (a) An employee whose position is reallocated or reclassified to a higher class shall be compensated at the lowest step in the higher pay level which at least equals the amount of a two-step increase in the lower pay level. The rate of compensation cannot exceed the rate of the maximum step in the higher pay level. The employee's anniversary date shall be recycled.
- (b) Reallocations and reclassifications will be justified in writing and forwarded as recommendations by the Executive Director for approval by the Personnel Affairs Committee.

§40-40-250 Effective Date of Position Changes

The effective date of all position changes shall be the beginning of the first pay period immediately following the approval of the action by the Executive Director. Exceptions to this rule may be made by the Executive Director only for such reasons as will expedite public business and not result in an inequitable situation.

§40-40-255 Regular Hours and Overtime

- (a) The Commonwealth Ports Authority standard work week for all full-time, permanent employees is normally eight hours per day, five days per week, except as provided under §40-40-260 for ARFF and Ports Police. However, the employee's workday and workweek may vary from time to time according to the needs of the Commonwealth Ports Authority. The needs of the specific job may also require shifts, night duty, irregular, split, or on-call schedules. Every effort will be made to maintain a consistent and reasonable five (5) day, forty (40) hour workweek.
- (b) All Commonwealth Ports Authority employees who are not exempted from the overtime rate of pay under the Fair Labor Standard Act (FLSA) are non-exempt employees. Non-exempt employees shall be eligible for overtime compensation at the rate of one and one-half hours pay for each overtime hour worked beyond 40 hours in a standard 7-day workweek period. Paid annual leave, sick leave, administrative leave and holidays, as well as time lost due to absence without leave or leave without pay, will not be included as hours worked when calculating overtime compensation.

§40-40-260 Standard Work Hours for ARFF & Ports Police

- (a) Aircraft rescue and fire fighters (ARFF) personnel who are scheduled to work on a 106-hour bi-weekly work schedule shall have such hours considered as their standard regular bi-weekly working hours. Such ARFF personnel shall be paid up to 106 hours on a bi-weekly basis for actual hours worked using the employee's base salary rate. In the event such employee takes annual leave, sick leave, holidays or compensatory time-off from work in a given bi-weekly period, the basis of the bi-weekly payment shall be made on the actual hours worked plus the number of leave hours taken. Under emergency situations, i.e., response to emergencies, such an employee shall be entitled to overtime pay if the employee works in excess of 106 hours. However, overtime payment eligibility will be based on the hours actually worked and will not include paid non-work hours such as annual leave, sick leave, holidays or compensatory time off from work in the given bi-weekly period.
- (b) Ports Police personnel who are scheduled to work on an 86-hour bi-weekly work schedule shall have such hours considered as the standard regular bi-weekly working hours. Such ports police personnel shall be paid for 86 hours on a bi-weekly basis for actual hours worked using the employees base salary rate. In the event such employee takes annual leave, sick

leave, or compensatory time off from work in a given bi-weekly period, the basis of the bi-weekly payment shall be made on the actual hours worked plus the number of hours of leave taken. Under emergency situations, i.e., response to emergencies, such an employee shall be entitled to overtime pay if the employee worked in excess of 86 hours. However, overtime payment eligibility will be based on the hours actually worked and will not include paid non-work hours such as annual leave, sick leave, holidays or compensatory time off from work in the given bi-weekly period.

- (c) For any services for security or force protection at the request of a tenant, military entity, or other agents not during the usual course of Commonwealth Ports Authority ARFF or Ports Police duties, the requestor shall pay established overtime rates for all requested or required services.

§40-40-265 Compensatory Time-Off (Comp-time) Policy

- (a) A compensatory time-off (comp-time) policy is hereby established to provide official guidelines on the earning and usage of comp-time hours by Commonwealth Ports Authority employees. For any comp-time issue which is not addressed in this policy, the U.S. Federal Labor Standard Act (FLSA) shall serve as the guidelines to be followed. This policy governs the earning and usage of compensatory-time hours by all Commonwealth Ports Authority employees who are eligible for overtime pay.
- (b) Non-exempt employees, as defined in subsection §40-40-255(b), are entitled to earn overtime pay. Probationary, temporary or part-time employees may on occasion be required to work overtime. However, under conditions of financial hardship or funding shortfall, as certified by the Comptroller, that result in the Commonwealth Ports Authority being unable to pay for overtime compensation, and upon issuance of an official notification of such condition by the Executive Director, employees shall accrue compensatory time-off hours. Compensatory time-off hours shall be granted using the following procedures:
 - (1) The eligible employee shall sign an agreement to accept compensatory time off in lieu of overtime pay on such occasions when sufficient funding is not available. This agreement may be a condition of the employment contract.
 - (2) Hours eligible for compensatory time off shall be based on hours worked that exceed 86 hours in a bi-weekly pay period for Ports Police and designated ARFF employees, 106 hours in a bi-weekly pay period for other ARFF employees and 40 hours in a weekly pay period for all other eligible personnel. All hours used in computing compensatory time-off hours shall mean actual hours worked and shall not include any time off taken for sick, annual, maternity, paternity or administrative leave, holidays or compensatory time-off taken during the pay period.
 - (3) A factor of 1.5 shall be used in the determination of compensatory time-off hours, i.e., actual excess hours worked x 1.5 = compensatory time-off earned.
 - (4) All compensatory time-off hours must be approved, in advance, or on the next business day, by the department manager and the Executive Director, or her/his designee, and recorded on an approved form from the accounting department. Unofficial records of compensatory time-off will not be maintained. Any supervisor or manager who fails to monitor compensatory time-off hours and allows for unapproved compensatory time off is subject to disciplinary action for such unauthorized expenditure.
 - (5) All approved compensatory time-off hours must be submitted to the accounting department at the end of each pay period along with the department's official time and attendance sheet.
 - (6) Ports Police and ARFF personnel may accrue a maximum amount of compensatory time-off up to 480 hours (320 actual hours of overtime) and 240 hours (160 actual hours of

overtime), respectively. Overtime hours accumulated in excess of these limits will be paid as overtime.

- (7) An employee who has accrued compensatory time off and requests use of the time must be permitted to use the time off within a reasonable period of time after making the request, if it does not unduly disrupt the operations of the Commonwealth Ports Authority. The Commonwealth Ports Authority may also direct employees to use accumulated compensatory time off. Compensatory time off shall be exhausted before annual leave is taken, even if this will result in accrued annual leave being forfeited or converted to sick leave.
- (8) In the event of employment termination, resignation, or reduction-in-force, an employee is entitled to receive compensation on all accrued compensatory time-off hours based on his or her most recent hourly base rate.
- (9) Employees who accrue hours in excess of their bi-weekly scheduled work hours to complete a project funded by an outside source or independent contract shall be compensated as overtime and not compensatory time off.

§40-40-270 Policies and Procedures; Travel and Travel Reimbursement (state all CPA employees)

- (a) An employee traveling on official Commonwealth Ports Authority business shall receive travel and per diem compensation at the rates and guidelines established for CNMI executive branch employees.
- (b) Payment of per diem shall be in accordance with official CNMI policy and procedures.
- (c) Travel Authorization Forms. An approved Travel Authorization Form is required for every trip within the CNMI that extends more than two quarters of a day and away from an island where the employee's office or residence is located as well as for every trip outside the CNMI. Travel Authorization Forms shall be approved by the Executive Director for travel within the CNMI, and in the case of travel outside the CNMI, by the Chairman of the Board. It is expected that the Travel Authorization Form relating to any given trip will be approved prior to the incurring of expenses.
- (d) Travel Advances. Travel advances may be made for extended trips in accordance with the official CNMI policy and procedures. A travel advance is secured by completing a Travel Authorization Form and forwarding it to the Executive Director. Travel advances must be accounted for by a travel reimbursement claim after the trip or the advance will be deducted from the employee's wages. No more than 100% of the per diem estimated to be due on the travel authorization may be advanced.
- (e) Travel Reimbursement Forms. Travel expenses should never be billed directly to the Commonwealth Ports Authority but should be paid by the employee and reimbursement sought. The Travel Reimbursement Form should be completed by a traveler who has qualified for reimbursement of travel expenses. All necessary receipts must be attached before reimbursement will be made. In the event no receipt is available for an expenditure for which reimbursement is sought, reimbursement is conditioned upon substantiation of the expense in a manner satisfactory to the Executive Director. An approved Travel Authorization Form must be attached for every trip reported.
- (f) Suspension of Processing. Processing of reimbursements claimed on Travel Reimbursement Forms missing receipts (or substantiation of the expense satisfactory to the Executive Director) and processing of Travel Reimbursement Forms and Travel Authorization Forms which violate the regulations stated above or the instructions which appear on the forms themselves will be suspended and a notice of explanation will be forwarded to the employee concerned. In order to be processed, the forms must be corrected and the items for which

reimbursement is sought must be included in a subsequent Travel Expense Statement in accordance with Commonwealth Ports Authority travel regulations. Reclaimed items must be fully itemized and must be supported by the original notice of explanation or a copy thereof. Erasures and alterations in totals on any Travel Reimbursement Form or Travel Authorization Form must be initialed by the traveling employee. Erasures or alterations in totals on vendor's receipts must be initialed by the vendor or his/her representative.

- (g) Travel Expense Statement. An employee may receive reimbursement for extraordinary expenses actually incurred in the performance of his/her duties upon the submission of receipts or other proof of extraordinary expenses to the Executive Director and the specific approval of the Executive Director to reimburse the employee for his/her extraordinary expenses.

(a) Official Representation Authorization

- (1) The Executive Director is authorized to incur charges for official representation. Other staff may be authorized on a case-by-case basis by the Executive Director.
- (2) Official representation for the Board of Directors shall be accounted for separately and authorized by the Chairman of the Board of Directors, depending on availability of funds.

- (4) Verify the budget to ensure that the expenditure is within budget guidelines.
- (5) In the event that an official representation expense is unauthorized, payroll deductions shall be made and the Comptroller shall bring this incident to the attention of the Executive Director for appropriate sanctions.

§40-40-280 Outside Gainful Employment

A full-time employee who wishes to engage in outside gainful employment must have the express prior written approval of the Executive Director and the outside employment cannot be, or cannot appear to be, adverse to or in conflict with the interests of the Commonwealth Ports Authority.

§40-40-285 Typhoon Emergency Pay

- (a) Employees who are required by the Executive Director to work in a location and during a period of time in which a typhoon or tropical storm emergency has been declared by the Governor shall be compensated as follows:

 - (2) For all other hours in excess of the employees regularly scheduled work hours that such employees are required to work while such declaration of emergency shall remain in force, compensation shall be at the rate of two and one-half times the base salary rate. Part 300 - Personnel Policies

§40-40-301 Grievance Procedure

- (a) Consistent with the principles of good management, the Commonwealth Ports Authority recognizes the importance of settling labor-management disagreements and misunderstandings promptly, fairly and in ways that will maintain the self-respect of both the employee and the supervisor. To accomplish this, every effort will be made to settle grievances expeditiously and at the lowest possible level of supervision.
- (b) This grievance procedure is applicable to all Commonwealth Ports Authority classified employees.
- (c) This grievance procedure will cover all matters of concern or dissatisfaction to an eligible employee unless excepted by NMIAC § 40-40-301(d).
- (d) This grievance procedure will not cover the following:
 - (1) An adverse action appealed under NMIAC §40-40-120(h)(9)-(12) and NMIAC §40-40-125;
 - (2) A fitness-for-duty examination;
 - (3) The content of published Commonwealth Ports Authority policy;
 - (4) Non-selection for appointment, promotion, or transfer from a group of properly ranked candidates;
 - (5) Non-adoption of a suggestion or disapproval of a merit increase, performance award, or other kind of honorary discretionary award; and
 - (6) An employee who is serving on probationary status.
- (e) Employees will be unimpeded and free from restraint, interference, coercion, discrimination and reprisal in seeking adjudication of their grievances.
- (f) The Commonwealth Ports Authority recognizes that grievances are personal in nature and that aggrieved employees or groups of employees must have the right in presenting their grievances to be accompanied, represented and advised by representatives of their own choosing. Thus, in the formal grievance process, as hereinafter defined, the employee or group of employees have the right to be represented by counsel or other representative of their own choosing at their own discretion. If the employee or group of employees chooses to serve as their own representative or to designate a member of the aggrieved group as spokesperson, they may do so.
- (g) The Personnel Affairs Committee serves as the ultimate appellate level for grievances of employees or groups of employees. It shall take under cognizance only those formal

grievances which cannot be settled to the satisfaction of all concerned in accordance with the grievance procedure set forth herein.

- (h) Sometimes an employee has a valid reason for not taking a grievance to the immediate supervisor. The grievance procedure, therefore, provides opportunity for an employee to communicate informally with and seek advice from the Human Resource Office and/or a supervisory or management official of higher rank than the employee's immediate supervisor.
- (i) Informal Grievance Procedure
 - (1) The grievance action shall first be initiated by the aggrieved employee who will discuss the problem informally with his/her immediate supervisor, or if the employee feels the relationship with the immediate supervisor is such that the matter cannot be reasonably discussed, the employee may discuss it with the next level of supervision. A grievance concerning a particular act or occurrence must be presented within ten calendar days of the date of the act or occurrence or the date the aggrieved employee became aware of the act or occurrence.
 - (2) If the grievance is not settled within five calendar days, or if the employee is not satisfied with the decision of the immediate supervisor, the employee or representative may, within the next ten calendar days, put the grievance in writing and submit it to the Executive Director as a formal grievance. The written representation must contain the following information:
 - a. The identity of the aggrieved employee and the department in which the employee works;
 - b. The details of the grievance;
 - c. The corrective action desired; and
 - d. The name of the employee's representative, if any.
- (j) Formal Grievance Procedure
 - (1) The Executive Director will examine the grievance, discuss it with the grievant or representative and render a decision, in writing, within fourteen calendar days after receiving the grievance. The Executive Director may have present the employee's immediate supervisor, if it is deemed appropriate to the resolution of the grievance.
 - (2) If the Executive Director is not successful in settling the grievance to the employee's satisfaction within fourteen calendar days after it is presented by the employee in writing, the employee may, within fifteen calendar days after receiving written notification of the Executive Director's decision, or fifteen calendar days after the deadline for the Executive Director's decision, submit the grievance to the Personnel Affairs Committee.
 - (3) The Personnel Affairs Committee shall set a time for a hearing on a grievance within a reasonable time after receiving a grievance. If the Personnel Affairs Committee desires to have the grievance heard by a hearing officer, it must inform the aggrieved employee and representative as soon as possible.
 - (4) In hearings before the Personnel Affairs Committee or a hearing officer, the aggrieved employee and/or representative shall be allowed to appear and present the case. The Executive Director shall also be allowed to appear before the Personnel Affairs Committee or the hearing officer. Both sides shall have the right to call witnesses in support of their positions and to cross-examine witnesses for the other side. The Personnel Affairs Committee or the hearing officer shall prepare a summary of the hearing. If both parties desire a formal, written record prepared by a reporter, the cost of such services shall be shared equally. If only one side desires a formal written record of the proceedings, that side shall bear the cost.

- (5) The Personnel Affairs Committee shall reach a decision and present it formally to the Executive Director within fifteen working days following the close of the formal hearing. Decisions by the Personnel Affairs Committee shall be made by a majority vote of the membership considering the grievance and shall be final.
- (6) If the aggrieved employee is dissatisfied with the decision after having exhausted all administrative appeal levels, the employee has recourse to the courts.
- (k) Upon the filing of a formal grievance, the Human Resource Office shall provide the grievant with a copy of this Section and shall be kept informed as to the progress of the formal grievance. The Human Resource Office shall be the final custodian of all records of a grievance and is also responsible to ensure that the formal record of the grievance is assembled into one place, stored and safeguarded.

§40-40-305 Annual Evaluations

- (a) All Commonwealth Ports Authority classified and contract employees shall be evaluated annually. Evaluations shall be written on forms provided by the Executive Director, who will require the evaluator to assess the employee's performance of the duties listed on the employee's position description as well as comment on the employee's dependability, resourcefulness, and cooperativeness. Evaluation forms will also ask for the evaluator's recommendation regarding any increase in the employee's salary. The evaluator shall discuss the evaluation with the employee so that constructive criticism may be exchanged between the evaluator and the employee.
- (b) Completed evaluations shall be returned to the Executive Director, and a copy given to the employee.
- (c) The employee will also be invited to evaluate him or herself, and that self-evaluation will be included in the employee's personnel file.
- (d) All employees other than the Executive Director will be evaluated by their immediate supervisors, subject to review and approval by the Executive Director. The Executive Director shall be evaluated by the Board of Directors.

- (d) An employee found guilty of violating the prohibitions of this Section shall be subject to disciplinary action by management.

§40-40-315 Policy on Equal Employment Opportunity

- (a) Policy Statement. - (d) Establishment of Office of Equal Employment Opportunity. There is hereby established an Equal Employment Opportunity program within the Commonwealth Ports Authority. The Executive Director of the Commonwealth Ports Authority shall serve as the Equal Employment Opportunity (EEO) Officer. There shall also be designated an EEO Coordinator and assistant EEO coordinators for Tinian and Rota, as well as counselors within the separate departments. Appointments to these positions will be made by the Executive Director.
- (e) Coordination with CNMI Office of Personnel Management in Training and Implementation. The Governor, as overall EEO Officer for the Commonwealth government, has appointed the Civil Service Commission's Director of Personnel as Deputy EEO Officer. The Director of Personnel, in turn, has appointed an Equal Employment Opportunity Coordinator for the Commonwealth EEO Program, within the Commonwealth Office of Personnel Management. The Commonwealth Ports Authority EEO officers and coordinators shall coordinate the

establishment, implementation and training for the Commonwealth Ports Authority's EEO program with the Commonwealth EEO Coordinator and Office of Personnel Management. That office will provide assistance to the Commonwealth Ports Authority's EEO Office in such matters, as requested.

 - (6) Supervisors, will be held responsible for the acts of sexual harassment in the workplace when they know or should have known of the prohibited conduct but fail to prevent such conduct or fail to take steps to stop such act or conduct from occurring and/or fail to report the acts of harassment to a higher authority.

Part 400 - Employee Benefits

§40-40-401 Policy

- (a) The Commonwealth Ports Authority will provide benefits to its employees in keeping with the general practices of the CNMI Government and private enterprise and as limited or prescribed by law. This part delineates those benefits, which include:
- (1) Paid leaves of absence
 - (2) Unpaid leaves of absence
 - (3) Insurance benefits, such as group life and health insurance, accident and health insurance, and worker's compensation coverage.
 - (4) Employee Savings Plan

§40-40-405 Eligibility for Benefits

- (a) All full-time employee are eligible for the employee benefits enumerated in this chapter. Such employees shall include classified, non-classified, and contract employees.
- (b) Employees on unpaid leave of absence for 50% or more of a pay period shall not accrue annual or sick leave for that pay period. If the employee is on unpaid leave of absence for less than 50% of a pay period, the employee shall accrue annual and sick leave at the normal rate.

Subpart A – Paid Leaves of Absence

§40-40-410 Annual Leave

- (a) Employees shall accumulate annual leave time as specified below; provided, however, that Commonwealth Ports Authority employees will be given credit, for the purpose of computing the rate at which leave time will be accumulated, for prior employment with the government of the Trust Territory of the Pacific Islands or any branch, agency, corporation, board or commission of the government of the Commonwealth of the Northern Mariana Islands.
- | | |
|-----------------------------|-------------------------------------|
| 0-3 years of service: | 4 hours annual leave per pay period |
| 3-6 years of service: | 6 hours annual leave per pay period |
| 6 or more years of service: | 8 hours annual leave per pay period |
- (b) If an official holiday falls while an employee is on annual leave, that day will not be deducted from accrued annual leave. If an employee is sick while on annual leave, the employee may change that time to accrued sick leave. An employee who requests such change must submit a written certification from the attending physician regarding the employee's illness.
- (c) Annual leave must be approved by an employee's supervisor or manager prior to the employee going on annual leave. The Executive Director approves leave for managers and staff attorneys. If an employee applies for leave in excess of three (3) days, the employee shall request for approval at least three (3) days in advance on the Commonwealth Ports Authority leave request form. Denial of such requests must be for good reason and may be a basis for an employee's grievance.
- (d) Employees have a legal right to accumulate annual leave, but the right to use that leave is contingent upon management's requirements. Thus, it is incumbent upon managers and employees to agree mutually as to the duration of annual leave and the period of annual leave. A manager is wholly within managerial rights to deny an employee's request for annual leave if that denial is based upon demands of the Commonwealth Ports Authority. The manager is obligated, in event of a denial, to suggest to the employee a more appropriate time for taking annual leave.
- (e) The Commonwealth Ports Authority urges and encourages employees to use annual leave for the purpose for which it is intended. That is for rest and relaxation. The Commonwealth Ports Authority considers that a "vacation" of not less than two consecutive weeks of annual leave meets the basic intent of annual leave provisions. To avoid internal dissension, managers are urged to schedule vacation periods for their employees, bearing in mind employees' preferences, needs and desires, so that the Commonwealth Ports Authority will not be unduly affected by employee absences.
- (f) Any annual leave accumulated in excess of 360 hours at the end of any calendar year shall be converted to sick leave on the last day of such calendar year. Any annual leave accumulated in excess of 360 hours on the date of an employee's termination or resignation of employment shall be converted to sick leave as of the effective date of such termination or resignation of employment.
- (g) An employee whose employment is terminated, or who resigns his/her employment, and who has been employed for more than one year prior to the effective date of such termination or resignation, shall be entitled to receive payment for any and all unused annual leave, up to a maximum of 360 hours. Employees with less than one year of employment will not be entitled to payment for unused annual leave.

§40-40-415 Sick Leave

- (a) An employee commences sick leave accrual at the beginning of the first full pay period following the employee's employment. Each employee will accrue 4 hours of sick leave per pay period. If an employee's accrued sick leave is depleted, any additional days the employee is not at work will be deducted from accrued annual leave. When accrued annual leave has

been depleted, the employee will go on leave without pay (LWOP). If an official holiday occurs while an employee is on sick leave, that day will not be deducted from accrued sick leave.

- (b) When an employee is absent due to illness, the employee himself/herself, unless incapacitated, should give notice of his/her illness to the employee's supervisor within the first hour of scheduled duty or the entire day may be charged against annual leave, at the discretion of the immediate supervisor. Each employee returning from sick leave after an absence of three days or more shall furnish a written certification from the attending physician regarding the employee's illness. If the required certification is not furnished, all absence which would have been covered by such certification shall be indicated on the time and attendance record and payroll as absent without leave (AWOL). The Executive Director may require certification for such other period(s) of illness as is determined appropriate due to suspected abuse of the sick leave benefit.
- (c) Sick leave may be accumulated and carried over to succeeding years up to 1040 hours of sick leave. A report showing the accrued sick leave balance will be provided the employee each pay period.
- (d) The use of sick leave is subject to the following special provisions:
 - (1) Falsification of an illness report shall be considered sufficient cause for disciplinary action, including termination from employment.
 - (2) No employee shall be allowed to undertake gainful employment while on sick leave status.
- (e) Sick leave accrued for service with the government in any branch or agency shall vest in the employee upon accrual and shall remain vested so long as the individual is employed by the government, provided that if such employee is separated from government service for a period longer than three years, the employee shall be divested of accumulated sick leave.

§40-40-420 Leave Advance.

- (a) Where, for good reason, an employee requires additional annual or sick leave in addition to the amounts accrued, the Executive Director, with recommendation of the employee's department manager, may grant advance leave. For permanent employees the advance leave will be limited to a maximum of one-half of the total earnable leave credits for which the employee is eligible for one year from the date the application is received. In the case of limited term or probationary employees, advance leave can be approved up to a maximum of one-half of the total earnable leave credits for which the employee is eligible during the remainder of the employment term for one year from the date the application is received, whichever is shorter. Subsequent accrued leave earnings shall serve to replace the amount of advance leave granted and taken. Requests for leave advance must be in writing from the employee with a recommendation from the department manager.
- (b) Leave advance granted and taken:
 - (1) Constitutes a legal contract between the employee and the Commonwealth Ports Authority; and
 - (2) Must be repaid, even if the employee separates or transfers from the Commonwealth Ports Authority. Recovery of advance leave that is unpaid may be through the Commonwealth Ports Authority's assumption of the employee's accrued unused leave, payroll deductions, matched reduction of service time and/or recourse to the courts.

§40-40-425 Sick Leave Donation

- (a) An employee may, in writing on a Commonwealth Ports Authority-approved form, donate his/her accrued sick leave to another Commonwealth Ports Authority employee who has

completed his/her probationary status and who is in need of medical treatment. An employee under medical treatment must provide certification from his/her attending physician on his/her medical status and duration of time that he/she shall be on medical leave. Sick leave donation requests must be approved, in writing, in advance by the Executive Director or her or his designee, prior to the transfer of sick leave and subject to the following:

- (1) An employee donating his/her accrued sick leave does so voluntarily and without compensation or sick leave replacement. The donation shall be limited to 160 hours;
 - (2) The employee requesting donation must provide certification that he/she is undergoing medical treatment and the number of days he/she is expected to be on medical leave. Under no circumstances may the requesting employee receive more than 480 hours of donated sick leave during his/her employment with the Commonwealth Ports Authority;
 - (3) The employee receiving a sick leave donation has exhausted all his annual leave, sick leave, and accrued comp-time hours;
 - (4) The employee receiving a sick leave donation shall not accrue any other leave while on medical leave status;
- (b) Any Commonwealth Ports Authority employee may also donate accrued sick leave to non-Commonwealth Ports Authority CNMI government employees subject to the CNMI Sick Leave Bank Regulations [NMIAC, Title 10, Chapter 10-50] being administered by the Office of the Personnel Management.

§ 40-40-430 Holidays

- (a) The Commonwealth Ports Authority shall observe those holidays observed by the government of the Commonwealth of the Northern Mariana Islands. Employees shall be paid holiday pay for work performed on Commonwealth legal holidays, in accordance with the regulations set forth herein.
- (b) Payment for Work on Holidays.
- (1) An employee required to work on a legal holiday shall be compensated at two times the base salary rate or the adjusted base salary rate for the standard eight-hour workday. The remaining hours of a 24-hour schedule will be at the regular rate.
 - (2) Any overtime worked on a holiday by a non-exempt employee will be based on the employee's regular rate of pay.
 - (3) Holiday pay will only be paid for hours of work actually performed on a legal holiday and will not be paid to any employee who is being paid a standby differential for those same hours.
 - (4) A salaried overtime-exempt employee required to work on a legal holiday shall receive double the employee's daily pay.
- (c) Holiday Pay in a Non-standard Workweek. When a holiday falls on a regular non-work day for employees whose basic workweek is other than the standard workweek, the workday immediately preceding or succeeding the holiday shall be designated (as determined by the Executive Director) as the holiday in lieu of such holiday that occurs on the employees' scheduled non-work day.

§40-40-435 Maternity Leave

- (a) A female employee may be granted maternity leave, not to exceed fifteen work days, because of confinement for childbirth. When possible, the employee must request maternity leave at least one week prior to the day she expects to leave work. The Executive Director shall have the authority to approve maternity leave requests.
- (b) Maternity leave may be granted in cases of miscarriage with a medical certificate.

- (c) Accrued annual leave and sick leave may also be applied for during this period. Maternity leave shall be in addition to any accumulated sick or annual leave, and any additional leave taken for such childbirth purposes shall be charged against accumulated sick or annual leave. If maternity leave, annual leave and sick leave are exhausted, the employee shall be placed on leave of absence without pay.

§40-40-440 Paternity Leave

A male employee may be granted a maximum five days of paternity leave because of the birth of his child, which five days shall include the date of childbirth. Paternity leave may be granted in cases of common-law marriages where reasonable proof of the relationship can be shown. The Executive Director shall have the authority to approve paternity leave requests.

§40-40-445 Bereavement Leave for a Death in the Immediate Family

- (a) An employee who suffers a death in his or her immediate family will be given a maximum of five days leave with pay.

For the purposes of this section a "Domestic partner" is defined to be a person with whom the CPA employee has a personal, household relationship and with whom the employee has established substantial personal ties for several years.

§40-40-450 Election Day Leave

An employee will be given two hours off work with pay to vote on each official Election Day. The determination of which two hours of the day shall be taken off will be made by the employee's supervisor, so as to assure adequate staffing of the employee's office at all times.

§40-40-455 Administrative Leave

- (a) Administrative leave is defined as an absence from duty, administratively authorized, without loss of pay and without charge to accrued leave. The Executive Director, or his/her designee in the Executive Director's absence, has the responsibility for approving administrative leave requests. The following are the four general classes into which administrative leaves fall:
- (1) Administrative leave authorized due to emergency conditions beyond the control of management, e.g., typhoons, or for participation in civic activities of interest to the government or the Commonwealth Ports Authority, or employment connected examinations, or for such reasons as the Executive Director may determine (such as a shortened work day on Christmas Eve or New Year's Eve).
 - (2) Administrative leave for extended absence required for medical appointments and care following job-related injuries.
 - (3) Administrative leave related to disciplinary action. Managers may place an employee in nonworking status with pay for up to three work days pending preparation of a notice of proposed suspension for up to thirty calendar days or termination from employment.
 - (4) Administrative leave granted to employees serving on a government board or commission, provided such employee does not receive compensation from the board or commission. Advance written notice by the head of a board or commission must be delivered to the department or agency head before an employee can be released from official duties to attend a meeting. If an emergency meeting is necessary, the chairperson or the executive director of the board or commission may notify the Commonwealth

Ports Authority employee's department manager by phone, but a written confirmation of the meeting must follow such oral notification.

- (b) Administrative leave for civic duties for non-profit organizations. Such leave may be granted provided the organization is recognized under Section 501(c)(3) of the Internal Revenue Code and all meetings and/or activities are scheduled and verified.

§40-40-460 Military Leave

Military leaves of absence with pay, not to exceed fifteen working days in any calendar year, regardless of the number of training periods in the year, may be granted by the Executive Director to employees who are members of the United States National Guard and Reserve components of the United States Armed Forces, when directed under orders issued by proper military authority.

§40-40-465 Court Leave

Employees who are called upon to serve as jurors may be granted court leave for such period as the jury may be impaneled. Employees who are called to jury duty shall present their juror summons to their immediate supervisor together with a completed request for leave for the supervisor's signature and processing. An employee subpoenaed as a government witness in a court matter may also be granted court leave. Such employee must inform the Executive Director of the required testimony date as soon as possible after being subpoenaed.

Subpart B – Unpaid Leaves of Absence

§40-40-470 Leaves Without Pay

- (a) Leave of Absence. An employee may request a leave of absence without pay. Requests for such leave must specify its purpose and time period and must be authorized, in writing, by the Executive Director prior to its commencement. Because of the difficulties presented the organization by granting such leave, approval will be based upon the demonstrated need.
 - (1) A permanent employee may be granted leave without pay not to exceed ninety consecutive workdays if the Executive Director considers it justified. Leave without pay may be extended up to ninety additional consecutive work days ONLY with the approval of the Executive Director. Such leave without pay may be granted to permit the employee to attend to justifiable personal or business issues.
 - (2) An employee desiring extended leave without pay shall prepare a memorandum of explanation addressed to the Executive Director explaining in detail the reasons for the request.
- (b) Training and Education Leave. Permanent employees who wish to pursue their education on a full-time basis, without financial assistance from the government, may be granted leaves of absence without pay for a period not to exceed one year. Such employees shall have the right to return to their positions at the satisfactory conclusion of their education or training, and their service anniversary dates shall be adjusted by the amount of leave without pay taken. The Executive Director will approve or disapprove requests for training and education leave.
- (c) Leave Without Pay in Extension of Annual or Sick Leave. Employees on permanent status may be granted leave without pay (LWOP) for the purpose of extending annual or sick leave. When sick leave is so extended, the attending physician must certify to the necessity of the extension. The Executive Director is responsible for approving or disapproving requests for leave without pay.

§40-40-475 FMLA Leave.

- (a) The Federal Family and Medical Leave Act of 1993 (FMLA), as amended, entitles employees who have worked as a Commonwealth employee for at least one year and who worked at least 1,250 hours over the previous 12 months to take up to 12 weeks of leave without pay for any of the following reasons:
 - (1) To care for the employee's child after birth or placement for adoption or foster care;
 - (2) To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
 - (3) For a serious health condition that makes the employee unable to perform the employees job.
 - (4) For specified situations relating to family members in military service.
- (b) If an employee intends to take leave, the employee shall provide the Executive Director with at least 30 days' written notice and shall provide the Executive Director a copy of a medical certification to support a request for medical leave. In the case of medical emergency or unforeseeable event, then the employee only has to provide the Executive Director with such notice as is practicable under the facts and circumstances of the particular case.
- (c) At the option of the employee, annual leave, sick leave, maternity leave, or paternity leave may be substituted for LWOP for FMLA purposes. All leave qualifying under the FMLA shall be documented as FMLA leave either before it is taken or promptly thereafter. The Commonwealth Ports Authority can designate a leave as a FMLA leave.
- (d) In most cases, participation in the government group health insurance program shall continue during FMLA leave.
- (e) These definitions, benefit eligibility, and limits and notification procedures comply with the federal Family and Medical Leave Act (FMLA) of 1993, as amended.

§40-40-480 Extended Military Leave.

The federal Uniformed Services Employment and Reemployment Rights Act (USERRA) generally requires the Commonwealth government to provide extended military leave for its career employees, regardless of whether the service is voluntary or involuntary. The cumulative length of all absences due to military leave and extended military leave shall not exceed five years, unless extended for good reason documented in writing by the Executive Director. The employee must give advance notice to the Executive Director, unless military necessity or circumstances make this impossible or unreasonable. In most cases, the employee is guaranteed reinstatement rights and certain seniority rights upon return from leave. The employee must also comply with requests for documentation and with the requirements of this Chapter regarding the timing of applications for reemployment. For details, employees and managers should contact the U.S. Department of Labor.

§40-40-485 Unauthorized Leave

Unauthorized leave (absent without leave or AWOL) is absence from duty without appropriate authorization. Employees who are absent from duty without prior approval, except in bona fide emergencies, shall be charged as being AWOL. Employees who are AWOL are subject to loss of pay and possible disciplinary action.

Subpart C – Insurance Benefits

§40-40-490 Medical and Life Insurance

- (a) An employee shall be entitled to participate in the group life and hospital insurance programs which are available to employees of the government of the Commonwealth of the Northern Mariana Islands on the same terms and conditions as are available to employees of the government of the Commonwealth of the Northern Mariana Islands for as long as such

Employees who suffer a work-related illness or injury are eligible to receive worker's compensation benefits. Employees should report injuries immediately so that they can receive fast and effective treatment. Any work-related injury must be reported to the Human Resource Office in the following manner:
 - (1) If an employee is injured while working, it is required that his/her supervisor be informed immediately. The employee must then complete and submit a notification form to report his/her injury. This form must be submitted to the Human Resource Office at the earliest possible time.
 - (2) If medical attention is needed, the employee must obtain authorization to receive medical treatment from his/her supervisor prior to going to the doctor. The employee should not use his/her personal health insurance, as reimbursement for any out-of-pocket expenses is not authorized.
 - (3) The first three days of worker's compensation leave is unpaid. Employees may apply for sick or annual leave in order to be compensated for this time.
 - (4) Any questions should be referred to the Human Resource Office.
- (b) If the employee is unable to fill out an injury report due to the nature of the employee's injury, his/her supervisor should obtain a form and fill it out for the employee. Injuries occur outside the course of an employee's employment are matters of personal liability.

Part 500 - Drug and Alcohol-Free Workplace Policy

§40-40-501 Purposes

- (a) The Commonwealth Ports Authority recognizes its commitment to employees, customers and the public, and wishes to take reasonable steps to assure safety in the workplace and the safety of the community. The Commonwealth Ports Authority is aware of the adverse effect alcohol and substance abuse may have on safety and productive job performance. It recognizes that employees are affected in their ability to perform their jobs safely and productively, due to physical and emotional problems caused by the use or abuse of alcohol and other drug substances, which jeopardizes the integrity of the workplace and the achievement of the Commonwealth Ports Authority's mission.
- (b) This policy establishes programs and practices that promote and support a drug and alcohol-free working environment and comply with the Drug Free Workplace Act of 1988.

§40-40-505 Overview

- (a) Employees have the responsibility for managing their individual behavior, and, if an impairment issue exists, the employee must successfully resolve that issue. Being fit for work addresses two matters - an employee's condition and his/her conduct.
- (1) Condition. When an employee's condition (physical illness, emotional distress, and chemical dependency) interferes with safe and productive work, the employee needs to take measures necessary to correct the condition. The Commonwealth Ports Authority recognizes the valuable resource we have in our employees, and is committed to helping them maintain their health and well-being. Therefore, the Commonwealth Ports Authority strongly encourages employees to take advantage of the many opportunities of assistance through the employee assistance program to help them make the Commonwealth Ports Authority a positive, healthy and mutually beneficial employment opportunity (see NMIAC §40-40-570).
 - (2) Conduct. The second aspect of being fit for work involves conduct. Employees are accountable for unsafe and unproductive work, and the consequences of their work. Irresponsible behavior that is unproductive and unsafe will not be tolerated, and an employee engaging in misconduct may be disciplined, including termination from employment (see NMIAC §40-40-520).
- (b) The Commonwealth Ports Authority recognizes the need for safety, efficiency, and productivity in employment. Therefore, it is the official policy of the Commonwealth Ports Authority that the use, distribution, sale, possession, manufacture, or transfer of illegal drugs and unauthorized substances in any detectable amount, or being under the influence of alcohol in any form, on Commonwealth Ports Authority property or while on duty by employees, independent contractors or their employees is strictly prohibited and will be cause for termination of employment (see NMIAC §40-40-520).
- (c) Commonwealth Ports Authority employees who violate the prohibitions of this policy will be subject to disciplinary action, including termination of employment (see NMIAC §40-40-520). An employee's refusal to submit to testing requirements will be treated as a violation of the prohibitions of this policy and will be subject to disciplinary action, including termination of employment (see NMIAC §§40-40-510(q) & 520(a)).
- (d) Independent contractors and their employees who violate the prohibitions of this policy may be subject to contract cancellation (see NMIAC §40-40-515).
- (e) All employees shall be subject to drug/alcohol testing, to include the following categories: pre-employment, reasonable suspicion, post-accident/incident, random, return to duty, and follow-up (see NMIAC §§40-40-545 & 550).
- (f) Employee education and supervisory training are essential parts of this policy and program. All existing and new employees will receive information on the impact of drug and alcohol use in the workplace, and will receive information on resources for help and assistance. No supervisor may make a reasonable suspicion or post-accident/incident decision unless he/she has completed supervisory training relating to this policy (see NMIAC §40-40-535).
- (g) Drug/alcohol testing will be conducted with accuracy and reliability, while maintaining privacy and dignity in specimen collection, testing and notification processes. Employees found with breath alcohol at a detectable level of 0.02 BAC or greater, or a confirmed positive drug urine test, without adequate medical explanation, will be regarded to have violated the provisions of this policy.

Except as otherwise provided, the Commonwealth Ports Authority shall pay for the testing.
 - l. Collect Accident Documentation Promptly. Immediately following the accident, accident investigators, either employees or contracted individuals, should be used to accurately document critical information. Note the times and dates of both the occurrence of the accident and of the specimen collection.
 - m. Return to Duty. An employee may be returned to duty, at the supervisor's discretion, pending results from a post-accident/incident event if there is reasonable belief the employee was not under the influence at the time of the accident. If the employee has been medically examined, post-incident, he/she must receive a return to work clearance from the Commonwealth Ports Authority's MRO/consulting physician before returning to work.
 - n. Supervisor's Report. The supervisor ordering post-accident testing shall document in writing, in detail, the facts leading to the decision. If the MRO determines it to be necessary, the MRO may request pertinent analytical records from the laboratory or require a re-analysis of the specimen.

- (4) The MRO shall report the urine test as negative and shall take no further action if the MRO determines:
- a. There is a legitimate medical explanation for a positive test result, other than the use of the specific drug; or

been evaluated and released for duty by the MRO (for Commonwealth Ports Authority-covered substances) and/or a Substance Abuse Professional (for non-Commonwealth Ports Authority covered substances and alcohol).

- (e) Confidentiality and Conduct. A direct request by the employee for assistance will be made a part of the employee's medical file. Any related performance issue or disciplinary action will be placed in the employee's personnel file.
- (f) Free of Discrimination. Employees will not have job security or promotional opportunities jeopardized solely because of a request for help.
- (g) Re-entry to Work.
 - (1) After Mandatory Referral. Employees re-entering the work force after a mandatory referral for a fit for work issue will agree to a re-entry contract. That contract may include, but is not limited to:
 - a. A release to work statement from an approved treatment specialist.

 - (2) After Voluntary Self-Referral. Employees self-referring to a substance abuse treatment program, with the prior knowledge of their supervisor or the Commonwealth Ports Authority's management, must agree to a re-entry contract. The contract will include:
 - a. A release to work statement from an approved treatment specialist.
 - b. An evaluation and release to work by a designated Commonwealth Ports Authority representative.

§40-40-575 Confidentiality, Record Keeping, and Reports

- (a) Confidentiality.

 - (2) Employee Assistance Referrals. Any knowledge of an employee's attendance at a substance abuse treatment program will be treated the same as medical data and will be filed in the employees medical file. The status of an employee's involvement with employee assistance and/or substance abuse treatment will also be communicated within the Commonwealth Ports Authority on a strict need-to-know basis.

- (b) Separation of Business and Business Entertainment. Employees will not consume beverages containing alcohol while conducting business. Conducting business occurs at any event where the interests of the Commonwealth Ports Authority are being discussed and/or represented. Business entertainment takes place at events where the primary purpose is friendship and socialization. When in doubt, the best advice is to not drink. Lunch, with the expectation of returning to business or the workplace, would not be considered business entertainment.

§ 60-60-452 Child Abuse and Neglect Reporting

(a)(1) The Board of Education believes that school staff members are in a unique position to assist children, families, and the community in dealing with the issues of child abuse and neglect. In addition, school employees are required by law to report instances of suspected child abuse when the employee knows or has reasonable suspicion that a child has been or is likely to be abused, neglected or sexually molested. All suspected child abuse and neglect should be reported in good faith. Family issues will be treated with respect and confidentiality and child well being and safety will be a priority in making all reports.

(2) All families will be informed upon enrollment and/or during orientation of the school's responsibility as mandated reporters and the policy and regulation in this section.

(3) All PSS employees working directly or indirectly with students regardless of age are required to attend a minimum of 14 hours of training in the identification and reporting of any abuse or neglect of children. All new hires will be required to attend mandatory pre-service training.

(b) Definitions

(1) Commonwealth law, 6 CMC §§ 5313, et seq., mandates certain professionals, including school teachers and school officials, to report to the Department of Public Safety (DPS) when the professional knows or has reasonable cause to suspect that a child is abused, neglected or sexually molested by any person in a manner which harms or threatens to harm the child's physical or mental health and well-being. This notification shall be within twenty-four hours.

(2) Child abuse is defined in CMC § 5312 as a willful and intentional act causing any physical pain or injury, sexual abuse or mental distress inflicted on a child under the age of 18, who is in the person's custody or which the person occupies a position of authority with the result that the child's physical or mental health and well being are harmed or threatened, excluding reasonable and traditional discipline as determined by prevailing community and cultural standards.

(3) Neglect is defined as the failure to provide a child who is in the person's custody with adequate supervision, medical care, food, clothing or shelter with the result that the child's physical or mental health and well being are harmed or threatened.

(4) Molestation includes all exhibitionism, sexual contact, and sexual exploitation as set forth in 6 CMC § 1311 and 6 CMC §§ 1321, et seq.

(c) Procedure for Reporting Abuse and Neglect

(1) When a school employee suspects that a student has been or may be subjected to abuse, molestation, or neglect, the employee shall immediately report the suspicion to the Department of Public Safety (DPS) and the Department of Youth Services (DYS) and notify the School Liaison Officer (SLO) and Principal, or in the case of Head Start/Early Head Start, the Program Director.

(2) Upon notice of abuse, molestation, or neglect, the SLO and the school principal/program director, in consultation with the PSS legal counsel, will conduct a preliminary investigation. If there is suspicion that a child has been or may be abused, neglected or sexually molested, the SLO or staff member shall make an immediate oral report to the Department of Public Safety (DPS) and the Division of Youth Services (DYS). This notification shall be within twenty-four hours. If staff suspects that a child could be at risk for further harm by returning home, the report will be made immediately.

(3) Observations of staff including the time, date, circumstances and details or information which gave rise to the belief that abuse or neglect has or will occur must be documented on the CAN report form. The CAN form will be shared with the DYS and DPS upon notification to these agencies. The call will be logged with the date, time, nature of the report and name of the officer.

(4) When DYS or DPS representatives interview students on school property, a staff member will be present.

(5) The original CAN form will be filed in the Head Start family file. CAN reports for K-12 schools will be secured in a separate folder in the counseling office. Copies will be forwarded to DYS, the Commissioner of Education, the Principal/Director of the Early Intervention/Head Start Program and the legal counsel.

(6) When families self-disclose abuse issues, the SLO, school counselor or Principal/Program Director will assist the family in contacting DYS and DPS and any other parent support organization.

(7) All actions regarding child abuse or neglect will be documented in the Early Intervention/Head Start family file. K-12 schools will secure all records regarding child abuse or neglect in a separate folder in the counseling office. Refer to Board Regulation §60-10-010 on Confidentiality.

(8) Post reporting. SLO and counseling will conduct follow up with DYS/DPS in order to provide ongoing support to families and students in Child Abuse & Neglect incidents. Counseling services and/or referral to professional therapy will be made available according to student need

(d) Discipline/Consequences

(1) By commonwealth law (6 CMC § 5315), the knowing or willful failure of any person required to make a report shall, upon conviction, be punished by imprisonment for up to one year, or a fine of \$1,000 or both.

(2) Any student who sexually abuses or molests a child while on school property or while participating in school activities will be referred to the school counselor or SLO who will then set up a parental conference with the principal and family within 24 hours. If however the incident was severe in nature or rose to the level of a crime, the Department of Public Safety will be notified. A mandatory referral and agreement to seek professional counseling will be made and the school will provide support from the counseling office. The child offender will be seen by the Behavior Specialist who will implement a Behavior Plan. Depending on the severity of the abuse and the age of the student offender, appropriate disciplinary action will be taken.

(3) Any employee or contracted service provider suspected of abuse of a minor will immediately be reported to the Department of Public Safety and suspended while an investigation is conducted and will further be subject to disciplinary action up to and including dismissal. Any employee who abuses or molests a child while on school property or while participating in school activities will immediately be dismissed and reported to the Department of Public Safety.

(4) Any employee who receives a complaint of abuse, neglect or molestation from a student and who does not act promptly to forward that complaint to the principal shall be disciplined appropriately, up to and including dismissal.

(5) Any employee who brings a false charge of abuse, neglect or molestation shall receive appropriate discipline. The term "false charge" means charges brought in bad faith, that is, without the good faith belief that one has been subjected to abuse, neglect or molestation. The term "false charge" does not include a charge that was brought in good faith but which the PSS, DPS or DYS was unable to substantiate.
