Executive Order 94-3 (effective August 23, 1994) reorganized the Commonwealth government executive branch, changed agency names and official titles and effected numerous other revisions. According to Executive Order 94-3 § 304(c):

Section 304. Department of Public Works.

... (c) Board of Professional Licensing. The Board of Professional Licensing is abolished and its functions transferred to a Division of Professional Licensing in the Department of Public Works, which shall have at its head a Director of Professional Licensing.

The full text of Executive Order 94-3 is set forth in the commission comment to 1 CMC § 2001.

PL 11-99, the “Board of Professional Licensing Amendments Act of 1998,” formerly codified at 4 CMC §§ 3101-3221, took effect on September 21, 1999. PL 11-99 reenacted 4 CMC §§ 3101-3110 with numerous revisions. PL 11-99 § 3 (§ 3101), 4 CMC § 3101 (2004), reestablished the Board as a regulatory board “within the Commonwealth government.” The Board was authorized to issue licenses to the professions enumerated in PL 11-99 § 3 (§ 3105), 4 CMC § 3105 (2004). PL 11-99 § 3 (§ 3108), 4 CMC § 3108 (2004), empowered the Board to adopt rules and
regulations to implement the act including rules and regulations to establish credentialing criteria and standards regarding licensing or authorization to practice a profession over which the Board had jurisdiction.

PL 14-95 (effective Oct. 31, 2005), the “Board of Professional Licensing Amendments Act of 2005,” repealed and reenacted 4 CMC §§ 3101-3222 with extensive revisions. 4 CMC § 3102 reestablishes the Board of Professional Licensing with the power to license and regulate architects, engineers, land surveyors, landscape architects and real property appraisers and administer the act. 4 CMC § 3106 grants the Board the power to adopt regulations, rules of procedures and rules of professional conduct consistent with the act.

The 1999 amendments to the Administrative Regulations rearranged and revised many sections of the original 1991 regulations, but did not address the sections codified in part 200. Because the 1999 amendments did not explicitly delete the provisions of part 200, the Commission has retained them.

The Notice of Adoption for the 2013 amendments stated that these regulations were to be codified at Title 125-20.1. As Title 125-20.1 was already in use, the Commission codified the amendments at this chapter.
