Commission Comment: PL 1-8, tit. 1, ch. 12, codified as amended at 1 CMC §§ 2601-2633, created the Department of Public Health and Environmental Services within the Commonwealth government. See 1 CMC § 2601. 1 CMC § 2603(f) grants the Department the power and duty to administer all government-owned health care facilities. 1 CMC § 2605 directs the Department to adopt rules and regulations regarding those matters over which it has jurisdiction.

Executive Order 94-3 (effective August 23, 1994) reorganized the Commonwealth government executive branch, changed agency names and official titles and effected numerous other revisions. According to Executive Order 94-3 § 105:

Section 105. Department of Public Health.

The Department of Public Health and Environmental Services is re-designated the Department of Public Health.

The full text of Executive Order 94-3 is set forth in the commission comment to 1 CMC § 2001.

Public Law 16-51 (effective Jan. 15, 2010), the “Commonwealth Healthcare Corporation Act of 2008,” codified at 3 CMC § 2801 et seq., established the Commonwealth Healthcare Corporation, which assumed the duties of the Department of Public Health as of January 15, 2011.

Part 001 - General Provisions

[Reserved.]

Part 100 - Medical Malpractice Liability Coverage

§ 140-10.11-101 Coverage Mandatory

Malpractice liability coverage is a mandatory requirement for medical staff membership at the Commonwealth Health Center.

Modified, 1 CMC § 3806(f).
§ 140-10.11-105 Proof of Coverage

Each physician shall provide proof to the Secretary of Public Health (“the Secretary”) that he/she has met this requirement by any one of the following means:

(a) Indemnification by the CNMI for its government employee staff;

(b) Proof of private medical malpractice liability insurance (occurrence type) coverage of at least $100,000; or

(c) Proof of other security acceptable to the Secretary and the Attorney General, in favor of the CNMI Department of Public Health (for indemnification against any financial loss, costs, expenses, or damages as a result of or related to the physician providing services), of not less than $100,000. Possible alternative security vehicles may include:
   (1) Surety bond;
   (2) Letter of credit from a FDIC insured banking institution;
   (3) Pledge of collateral;
   (4) Escrow account with a FDIC insured banking institution.

Modified, 1 CMC § 3806(f).

§ 140-10.11-110 Privileges Prohibited Without Coverage

No physician shall be granted privileges at the Commonwealth Health Center until these requirements have been completed.

§ 140-10.11-115 Compliance Review

The Secretary shall, on an ongoing basis, review compliance. Those practitioners with privileges at CHC who do not have proof in their CHC physician files of current medical malpractice coverage as defined above will have 30 days to come into compliance with this requirement. Any practitioner who fails to comply with this requirement within the 30 day time period will have his or her hospital privileges immediately suspended, and then the case shall be referred to the Medical Executive Committee for further action, including permanent termination of privileges.

§ 140-10.11-120 Report of Claims
All physicians with privileges at DPH government facilities must promptly report (in writing) to the DPH administration any claims, or lawsuits filed, relating to his or her delivery of medical services. When hospital privileges end for any private physician, release of the alternative financial products described above shall not be unreasonably delayed or denied, so long as there are no pending claims, or lawsuits, known to the physician or to the DPH administration relating to that physician for services performed at a CNMI government facility.

§ 140-10.11-125 Additional Requirements

The regulations in this chapter shall not supplant or affect any separate, additional requirements imposed on physicians by the Medical Professional Licensing Board.

Modified, 1 CMC § 3806(d).
