Part 100 - Rules and Regulations

§ 150-50.4-101 Rules and Regulations

To implement the rules and regulations in this subchapter, the Department of Public Safety Patrol and Traffic Section and the Bureau of Motor Vehicles must ensure that safety helmets worn by operators and passengers of motorcycles, motor scooters and mopeds must be:

(a) Labeled. Each helmet shall be labeled permanently and legibly, in a manner such that the label(s) can be read easily without removing padding or any other permanent part, with the following:

(1) Manufacturer’s name or identification.
(2) Precise model designation.
(3) Size.
(4) Month and year of manufacture. This may be spelled out (for example; November, 1989), or expressed in numerals (for example, 11/89).
(5) The symbol DOT (Department of Transportation), constituting the manufacturer’s certification that the helmet conforms to the applicable federal motor safety standards. This symbol shall appear on the outer surface, in a color that contrasts with the background, in letters at least 3/8 inch (1cm) high, centered laterally with the horizontal centerline of the symbol.
located a minimum of 1 1/8 inches (2.9 cm) and a maximum of 1 3/8 inches (3.5 cm) from the bottom edge of the posterior portion of the helmet.

(6) Instructions to the purchaser as follows:

(i) Shell and liner constructed of (identify type(s) of materials).

(ii) Helmet can be seriously damaged by some common substances without damage being visible to the user. Apply only the following: (Recommended cleaning agents, paints, adhesives, etc., as appropriate).

(iii) Make no modifications. Fasten helmet securely. If helmet experiences a severe blow, return it to the manufacturer for inspection, or destroy it and replace it.

(iv) Any additional relevant safety information should be applied at the time of purchase by means of an attached tag, brochure, or other suitable means.

(b) Make sure that all helmets must not have any rigid projections inside the shell. Rigid projections outside any helmet’s shell shall be limited to those required for operation of essential accessories, and shall not protrude more than 0.20 inch (5 mm).

(c) Must ensure all helmets have a retention system. Retention system means the complete assembly by which the helmet is retained in position on the head during use.

(d) Provide for public information and education to heighten awareness of the helmet requirement on all operators and passengers of motorcycles, motor scooters, and mopeds pursuant to 9 CMC § 5703.

Modified, 1 CMC § 3806(d), (f), (g).

Commission Comment: In subsection (a)(1), the Commission corrected the spelling of “manufacturer’s.” The Commission inserted a comma after the word “scooters” in the initial paragraph and in subsection (d) pursuant to 1 CMC § 3806(g).
