§ 175-10.1-550 Gross Revenue Computations.

- (a) For each table game, gross revenue equals the closing table game bankroll plus credit slips for cash, chips, tokens, or personal/payroll checks returned to the casino cage, plus drop, less opening table game bankroll, fills to the table, money transfers issued from the game through the use of a cashless wagering system.
- (b) For each slot machine, gross revenue equals drop less fills to the machine and jackpot payouts. Additionally, the initial hopper load is not a fill and does not affect gross revenue. The difference between the initial hopper load and the total amount that is in the hopper at the end of the licensee's fiscal year must be adjusted accordingly as an addition to or subtraction from the drop for that year. If a casino gaming licensee does not make such adjustments, or makes inaccurate adjustments, the Division of Audit and/or Division of Compliance may compute an

(f) If the casino gaming licensee provides periodic payments to satisfy a payout resulting from a wager, the initial installment payment when paid and the actual cost of a payment plan approved by the Commission and funded by the licensee may be deducted from winnings. For any funding method which merely guarantees the licensee’s performance and under which the licensee makes payments directly out of cash flow (e.g., irrevocable letters of credits, surety bonds, or other similar methods), the licensee may only deduct such payments when paid to the patron.

(g) The casino gaming licensee shall not exclude money paid out on wagers that are knowingly accepted by the licensee in violation of the Commonwealth Code or these regulations from gross revenue.

(h) If in any month the amount of casino gross gaming revenue is less than zero dollars, the licensee may deduct the excess in the succeeding months, until the loss is fully offset against casino gross gaming revenue.

(i) Payout receipts and wagering vouchers issued at a game or gaming device shall be deducted from gross revenue as jackpot payouts in the month the receipts or vouchers are issued by the game or gaming device. Payout receipts and wagering vouchers deducted from gross revenue that are not redeemed within sixty days of issuance shall be included in gross revenue. An unredeemed payout receipt or wagering voucher previously included in gross revenue may be deducted from gross revenue in the month redeemed. For purposes of this section, the term “slot machine” means a gaming device for which gross revenue is calculated pursuant to the method described under subsection (b). Such receipts and wagering vouchers shall be deemed expired if not redeemed on or before the expiration date printed on the payout receipt or wagering

Part 1200 - FEES

§ 175-10.1-1201 General Description of Fees and Deposit Policy.

(a) The Commission shall establish fees for the application issuance and renewal of all licenses pursuant to the Act.

(b) The differing treatment of these license categories reflects a recognition and judgment that casino applicants and licensees benefit directly or indirectly from all aspects of the regulatory process and are best suited to bear the largest share of the costs incurred by the Commission in implementing that process. Moreover, the actual cost of investigation and considering applications for individual employee licenses and casino gaming vendor licenses may exceed the amount which those applicants and licensees may fairly be required to pay as fees. The fee structure established by these rules and regulations is designed to respond to these policies and problems.

TITLE 175: COMMONWEALTH CASINO COMMISSION REGULATIONS

(c) To the extent reasonably possible, each applicant or licensee should pay the investigatory or regulatory costs attributable to their application or license.

(d) Unless otherwise specifically exempted by the Commission, all application fees are fully earned when received by the Commonwealth Treasury or the Commission. The withdrawal of the application by the applicant or the denial of the license by the Commission is not grounds for a rebate of any portion of any application fee.

History: Amdts Adopted 42 Com. Reg. 44562 (Dec. 28, 2020); Amdts Proposed 42 Com. Reg. 44176 (Oct. 28, 2020); Adopted 38 Com. Reg. 38619 (Oct. 28, 2016); Proposed 38 Com. Reg. 38424 (Aug. 28, 2016).

§ 175-10.1-1205 License Renewal General Provisions.

(a) All classes of gaming licenses, except the casino license issued by the Lottery Commission which remains in force until modified, cancelled, suspended, or surrendered pursuant to the Act or these regulations, are subject to renewal as provided herein. All classes of gaming licenses, other than the casino license issued by the Lottery Commission, must be renewed before the expiration of the current license. This requirement does not guarantee renewal and no holder of a license has a property right in the renewal thereof.

(b) Any license, other than a casino license, which is not renewed prior to expiration, will be considered as forfeited. Reinstatement of such a forfeited license will require processing as a new license application including payment of the proper fees associated with initial license issuance as promulgated herein.

History: Adopted 38 Com. Reg. 38619 (Oct. 28, 2016); Proposed 38 Com. Reg. 38424 (Aug. 28, 2016).

§ 175-10.1-1210 Payment of Fees and Deposits.

(a) No application shall be accepted for filing or processed by the Commission except upon the proper and timely payment of all required fees and deposits in accordance with these regulations. Any portion of an application fee or deposit which is incurred or determined after the filing of the application or which estimated in accordance with this subchapter shall be payable upon demand made by the Commission. Failure to promptly remit any amount so demanded shall be deemed a failure to timely pay the required fee unless the Commission finds cause to permit an extension of time in which to remit the demanded amount.

(b) Except as otherwise provided in the Act and these regulations, failure to timely remit fees, or deposits required under this subchapter shall result in suspension of the affected license or application until such time as the full amount of such fee or deposit is paid unless the Commission finds cause to permit extension of time in which to remit the amount due. Except as otherwise provided, failure to remit full amount of a fee or deposit required under this section within thirty calendar days of the date such fee becomes due shall result in permanent forfeiture of the affected license or application unless the licensee or applicant shall show cause for non-forfeiture.

(c) The annual license fee required by § 175-10.1-610 shall be paid by check made payable to the “CNMI Treasurer” with a notation in the “Memo” area listing the fee being paid, and mailed to the Commonwealth’s Department of Finance. No check so presented shall be deemed payment until the Commission shall be satisfied that sufficient funds are contained in the account against which it is drawn. An original receipt must be forwarded to the Commission promptly via U.S. Mail. Nothing herein prevents the Commission from receiving payment reports from the Department of Finance; however such reports do not alleviate the payor’s responsibility to forward the original receipt to the Commission.

(d) All other fees shall be paid by check made payable to the “CNMI Treasurer” with a notation in the “Memo” area listing the fee being paid, and mailed to the Commission. No check so presented shall be deemed payment until the Commission shall be satisfied that sufficient funds are contained in the account against which it is drawn.

(a) The Commission shall adopt standards for the installation, maintenance and operation of casino surveillance systems at all licensed establishments. The purposes of a casino surveillance system are to assist the casino gaming licensee and the Commonwealth in safeguarding the licensee's assets; in deterring, detecting, and prosecuting criminal acts; and in maintaining public confidence and trust that licensed gaming is conducted honestly and free of criminal elements and activity.

(b) The casino gaming licensee shall install, maintain, and operate a casino surveillance system in accordance with the casino surveillance standards adopted by the Commission. § 175-10.1-1865 Minimum Working Capital Requirements.

(a) The Commission, by Order, may adopt or revise a working capital formula that specifies the minimum working capital requirements applicable to the casino licensee, along with instructions for computing available working capital. The formula adopted by the Commission may require the licensee to maintain a number of months of cash on hand, utilize a debt-to service ratio, or utilize any other ratio the Commission deems fit.

(b) The casino licensee may propose the repeal or revision of any existing working capital formula by submitting a request to the Commission, which shall consider the request at its discretion.

(c) The casino licensee shall maintain in accordance with the working capital formula adopted by the Commission pursuant to the requirements of this section, cash or cash equivalents in an amount sufficient to reasonably protect the licensee's employee's, vendors and creditors against defaults of debts owed by the licensee as they become due. If at any time the licensee's available cash or cash equivalents should be less than the amount required by this section, the licensee or operator shall immediately notify the Commission of this deficiency and shall also detail the means by which the licensee shall comply with the minimum working capital requirements. Failure to maintain the minimum working capital required by this section, or failure to notify the Commission as required by this section, is an unsuitable method of operation.

(d) Records reflecting accurate, monthly computations of working capital requirements and actual working capital available shall be maintained by the casino licensee. The Executive Director, in his sole discretion, may require more frequent computations, and require additional recordkeeping not specified in the formula.

(e) Neither this section nor a formula adopted pursuant to it, alters, amends, supersedes or removes any other condition of any licensee or approval imposed on any licensee by law or regulation, the casino license agreement, or order of any agency.

(f) The Chairman or Executive Director, for good cause shown by the licensee, may waive one or more of the requirements or provisions of the working capital requirements.

(g) The Commission, Chairman or Executive Director, is hereby granted the authority to revoke any waiver granted pursuant to this section for any cause deemed reasonable. Notice of the revocation of a waiver shall be deemed delivered and effective when personally served upon the licensee. If a notice revoking or suspending the waiver of a working capital requirement is issued, the affected licensee may request that the decision of the Chairman or Executive Director be reviewed by the Commission. Such revocation or suspension shall be stayed until the matter is decided by the Commission.

The person to be employed is not the applicant and is merely a beneficiary of the application process. The casino licensee may withdraw the application at any time without notice to or approval from the proposed employee beneficiary.

- (g) If the applicant withdraws his application for a casino key employee license required by § 175-10.1-1905, the provisional license issued by the Executive Director pursuant to § 175-10.1-1910(e) shall immediately expire.
- (h) In determining whether to issue a provisional casino key employee license pursuant to § 175-10.1-1910(e), the Executive Director must consider whether issuing such license will bring disrepute to the Commonwealth or the gaming industry.
- (i) The Executive Director shall not issue a provisional key employee license to any person who is not currently licensed as a casino key employee in the CNMI or any other US jurisdiction, but the Executive Director may issue a provisional key employee license to any person who was licensed as a casino key employee any other US jurisdiction within the last five years, but who surrendered their licensure while in good standing upon termination of their employment in the jurisdiction.

- (b) Unless the Executive Director, after reviewing an application for licensure, suspends the temporary licensure of the applicant pursuant to § 175-10.1-1915, he shall conduct an investigation of the applicant to determine whether he is eligible to be or continue to be licensed as a casino employee or casino key employee.
- (c) The Executive Director may object to the licensure of an applicant within one hundred eighty days after receipt of a complete application for licensure based on any action or inaction of the applicant that the Executive Director determines is inimical to the public health, safety, morals, good order, and general welfare of the people of the Commonwealth, or that would reflect or tend to reflect discredit upon the Commonwealth or the gaming industry. The Executive Director may object to the licensure of an applicant based on the association of the applicant with any person who the Executive Director determines is inimical to the public health, safety, morals,

(2) The casino licensee.

(f) If, after receiving notice per subsection (d)(2), the casino gaming licensee no longer wishes to employ the applicant, it shall provide notice to the Executive Director and withdraw the application. If the casino licensee withdraws the application, no license will be finally granted, the temporary license will be revoked, the matter will be deemed closed, and the Commission may dismiss the Complaint sua sponte or upon motion of the Executive Director without a hearing.

(g) If the Executive Director does not object to the licensure of an applicant pursuant to this Part, the applicant shall be deemed licensed as a casino employee or casino key employee and is eligible for employment with the casino gaming licensee in the Commonwealth until such registration expires per its terms or per these regulations, is suspended, or is revoked per these regulations.

(b) The casino gaming licensee shall only access the system of records after a person applies for a position as a casino employee or casino key employee solely to determine whether the person is licensed, temporarily licensed, or subject to objection, suspension or revocation, or to initiate an application transaction in the Commission's online gaming employee licensure system. The casino gaming licensee shall maintain written documentation establishing that it received an application for employment from a person for a position as a casino employee or casino key employee prior to accessing the system of records and shall retain such documentation for at least five years.

TITLE 175: COMMONWEALTH CASINO COMMISSION REGULATIONS

Upon the termination of employment of such employee or the reassignment of such employee to a position that no longer requires him to access the system of records, the casino gaming licensee shall immediately notify the Commission of such termination or reassignment. The information contained within the system of records is confidential and must not be disclosed by such employee or the casino gaming licensee.

(d) If the casino gaming licensee determines, after accessing the system of records maintained by the Commission, that a person seeking employment or renewal as a casino employee or casino key employee with such licensee is not temporarily licensed or licensed as a casino employee or casino key employee, and is not subject to objection, suspension or revocation, the casino licensee shall provide the person with a form for application, the child support statement promulgated in § 175-10.1-925 and instruct the person to:

(e) If the casino gaming licensee determines, after accessing any system of records maintained by the Commission, that a person seeking employment or renewal as a casino employee or casino key employee with such licensee is subject to objection, suspension or revocation, the casino gaming licensee shall:

- (1) Not accept an application for licensure from such person; and
- (2) Notify the person that he must contact the Commission in order to pursue reversal or removal of such objection, suspension or revocation.

(f) The casino gaming licensee which instructs a person to obtain two complete sets of fingerprints shall be responsible for payment of the fees charged by the Commonwealth, the Federal Bureau of Investigation, or any other agency the Commission approves, for processing such fingerprints.

(g) Upon receipt of an application for licensure, the casino gaming licensee shall mail or deliver it to the Commission within five business days.

(h) The application for licensure is confidential and shall not be accessed or used for any purpose by a licensee unless otherwise permitted by law, or prior, written consent is given by the person seeking employment.

TITLE 175: COMMONWEALTH CASINO COMMISSION REGULATIONS

- (i) The casino gaming licensee shall immediately reassign to a position that does not require licensure as a casino employee or casino key employee a person it has employed or contracted with as a casino employee or casino key employee if the Executive Director notifies a licensee that the temporary or provisional licensure or licensure of the person it has employed as a casino employee or casino key employee has been objected to by the Executive Director, or otherwise suspended or revoked. The casino gaming licensee also may, in its sole judgment, terminate the employment relationship.
- (j) On or before the tenth day of each month, the casino licensee shall submit a written report to the Commission containing the name, social security number, position held, and date of hire of each casino or casino key employee (temporary, provisional or otherwise) hired during the previous month.
- (k) On or before the tenth day of the ensuing month after a calendar quarter, the casino licensee shall enter a termination date for all casino employees or casino key employees (temporary, provisional or otherwise) terminated or separated from service within the preceding quarter into the Commission's online gaming employee licensure system or submit a written report to the Commission containing the name, social security number, position held, and date of termination or separation of all casino employees or casino key employees (temporary, provisional or otherwise) terminated or separated from service within the preceding quarter.
- (l) The casino licensee must maintain a photo of every gaming employee employed by the licensee. The licensee shall maintain the photo for a period of no less than five years after the date in which the gaming employee is no longer employed by the licensee as a gaming employee. The photo must be large enough and of sufficient clarity to be able to clearly identify the gaming employee from the photo. The photo may be in the form of a photograph or it may be digitally stored, but it must be capable of being reproduced and provided at the request of the Commission.
- (m) Any violation of §175-10.1-1925(a) or (b) constitutes an unsuitable method of operation and shall be grounds for disciplinary action by the Commission in accordance with the Act and the regulations.

(b) Upon receipt of the application, the casino licensee may:

(1) Ask for the name and any available identification of the potential problem gambler from the applicant;

TITLE 175: COMMONWEALTH CASINO COMMISSION REGULATIONS

- (2) Inform the applicant that the casino licensee will, within 30 days, compare the behavior of the patron to the casino licensee's problem gaming policies, and approach the patron if their gaming history indicates actual or potential harm arising from gambling;
 - (3) Inform the applicant that the casino licensee will mail problem gambling information to the patron if the patron's mailing address is known;
 - (4) Provide the applicant with problem gambling information and details of how to obtain support to the patron for problem gambling;
 - (5) Inform the applicant that neither the Executive Director nor the casino licensee will provide the applicant with any personal information of the patron which comes to the attention of the Executive Director or the casino licensee.
 - (6) The Executive Director may promulgate any needed form or procedure to implement this regulation. The forms shall, at a minimum, ensure that the applicant has the required relationship with the patron and the applicant must state the reasons why the patron should be excluded. The applicant must provide supporting evidence, for example, financial records, proving that the patron's family is in financial difficulty as a result of the patron's gambling activity. The applicant must complete a declaration under penalty of perjury confirming their request for third party exclusion of the patron and listing the reasons therefore.
- (c) Within five days of receipt of an application including the completion of all required forms, the casino licensee shall provide the Executive Director with a copy of the application and any other relevant information.
- (d) Within 25 days of receipt of the information listed in subsection (c), the casino licensee shall:
- (1) Compare the behavior of the patron to the casino licensee's problem gaming policies, and approach the patron if their gaming history indicates actual or potential harm arising from gambling;
 - (2) Attempt to meet with the patron to determine if sufficient facts and evidence exist to warrant the exclusion of the patron as a problem gambler. The patron may be afforded an opportunity to explain why the patron should not be excluded. The casino licensee may make further enquiries before making a decision about excluding the patron;
 - (3) Hand deliver problem gambling information to the patron if he visits the casino or mail problem gambling information to the patron if the patron's mailing address is known;
 - (4) Decide whether the patron will be excluded if the patron chooses not to self-exclude;
 - (5) Inform the Executive Director of the results of the activities listed in subsections (1)–(4).
- (e) Exclusion Decision.
- (1) If the patron decides to self-exclude, the casino licensee shall immediately inform the Executive Director of that fact and the casino licensee shall immediately provide to the patron the self-exclusion forms required by this Part.
 - (2) If the patron does not wish to self-exclude, the casino licensee shall decide whether or not to proceed with the exclusion of the patron.
- (f) Notification of exclusion. If the casino licensee determines that the patron should be excluded, it shall provide the patron with written notification thereof.

(1) The patron must provide evidence that his or her gambling is under control and done for reasons other than compulsion. This may be in the form of a supporting letter from a medical professional or certified gambling counselor.

(2) The patron shall be required to undertake an assessment interview with the casino licensee prior to the ban being lifted and termination of the exclusion.

(3) At least ten days prior to the termination of the exclusion, the casino licensee must notify the Commission.

§ 175-10.1-3001 Investigation and Decision of Executive Director.

(a) Whenever the casino licensee, or its employee, refuses payment of alleged winnings to a patron, the licensee and the patron are unable to resolve the dispute to the satisfaction of the patron and the dispute involves:

(1) At least five hundred dollars (\$500), the licensee shall immediately notify the Executive Director; or

(2) Less than five hundred dollars (\$500), the licensee shall inform the patron of his right to request that the Executive Director conduct an investigation.

(b) The Executive Director shall conduct whatever investigation is deemed necessary and shall determine whether payment should be made. Thereafter, the Executive Director shall issue an appropriate order. This order shall not constitute a waiver, suspension, or modification of the requirements of the Commission regulations, which remain in full force and effect. Issuance of this order is not an election by the Commission, Executive Director, or the Commonwealth to forego any civil or any criminal action otherwise authorized by any other applicable law or regulation.

(c) The Executive Director shall provide written notice to the Commission, the licensee and the patron of his decision resolving the dispute within thirty days after the date the Executive Director first receives notification from the licensee or a request to conduct an investigation from the patron.

(d) Failure to notify the Executive Director or patron as provided in subsection (a) is an unsuitable method of operation.

(e) The decision of the Executive Director is effective on the date the aggrieved party receives notice of the decision. The date of receipt is presumed to be the date specified on the return receipt, if the notice was mailed.

(f) Notice of the decision of the Executive Director shall be deemed sufficient if it is mailed to the last known address of the licensee and patron. The date of mailing may be proven by a

certificate signed by an employee of the Executive Director that specifies the time the notice was mailed. The notice is presumed to have been received by the licensee or the patron five days after it is deposited with the United States Postal Service with the postage thereon prepaid.
