Subchapter Authority: 3 CMC § 2315(a) (2004) (repealed by PL 14-64 (effective Mar. 31, 2005)).

Subchapter History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989); Amdts Adopted 10 Com. Reg. 5712 (Oct. 15, 1988); Amdts Proposed 10 Com. Reg. 5695 (Sept. 15, 1988); Amdts Adopted 9 Com. Reg. 4974 (May 15, 1987); Amdts Proposed 9 Com. Reg. 4914 (Mar. 16, 1987); Amdts Adopted 7 Com. Reg. 3973 (Sept. 16, 1985); Amdts Proposed 7 Com. Reg. 3955 (Aug. 15, 1985); Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

Commission Comment: PL 1-8, tit. 1, ch. 12, codified as amended at 1 CMC §§ 2601-2633, created the Department of Public Health and Environmental Services within the Commonwealth government. See 1 CMC § 2601.

PL 3-29 (effective Nov. 26, 1982), the “Nurse Practice Act of 1982,” formerly codified at 1 CMC § 2643 and 3 CMC §§ 2301-2372, created a Board of Nurse Examiners within the Department of Public Health and Environmental Services. Prior to March 31, 2005, former 3 CMC § 2315(a) empowered the Board to adopt rules and regulations consistent with the act and necessary to carry out its provisions.

Executive Order 94-3 (effective August 23, 1994) reorganized the Commonwealth government executive branch, changed agency names and official titles, and effected numerous other revisions. According to Executive Order 94-3 § 105:

Section 105. Department of Public Health.

The Department of Public Health and Environmental Services is re-designated the Department of Public Health.

The full text of Executive Order 94-3 is set forth in the commission comment to 1 CMC § 2001.

PL 14-62 (effective Mar. 31, 2005), the “Nurse Practice Act of 2003,” repealed 1 CMC § 2643 and 3 CMC §§ 2301-2372 in their entirety and enacted new statutory provisions governing the nursing profession. PL 14-62 is codified at 3 CMC §§ 2301-2319.

3 CMC § 2305 establishes a Commonwealth Board of Nurse Examiners within the Department of Public Health, responsible for enforcing the act. 3 CMC § 2306 authorizes the Board to adopt, amend, repeal, and enforce administrative rules as necessary to administer and enforce the act and protect the public health. Numerous provisions of the regulations codified in this chapter are affected by the 2005 revision of the Nurse Practice Act.

Public Law 16-51 (effective Jan. 15, 2010), the “Commonwealth Healthcare Corporation Act of 2008,” codified at 3 CMC § 2801 et seq., established the Commonwealth Healthcare Corporation, which assumed the duties of the Department of Public Health as of January 15, 2011.

TITLE 185: HEALTH CARE PROFESSIONS

Public Law 18-25, effective October 18, 2013, amended 3 CMC §§ 2305 and 2318, renaming the Commonwealth Board of Nurse Examiners to the Northern Mariana Islands Board of Nursing, changing the composition of the Board, and amending provisions regarding licensing fees. To the extent these regulations conflict with PL 18-25, they are superseded.

The Commission moved Subchapter 140-60.2 to new Title 185 pursuant to 1 CMC § 3806(b) to improve organization of the NMIAC.

Part 001 - General Provisions

[Reserved.]

Part 100 - Requirements for Licensure as a Registered Professional Nurse, Hereinafter Referred to as “Registered Nurse”

§ 185-20.2-101 Definitions

As used in the regulations in this chapter, the following terms shall be defined as set forth in Public Law 3-29 [3 CMC §§ 2301-2372]:

- (a) Board
- (b) Continuing education
- (c) Practical nurse
- (d) Practical nursing
- (e) Practice of midwifery
- (f) Professional nursing
- (g) Registered nurse
- (h) Standardized procedures.

Modified, 1 CMC § 3806(d), (g).

History: Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

Commission Comment: In subsection (h), the Commission inserted the final period. The Commission also created the section title.

§ 185-20.2-105 Licensure by Examination Procedure

- (a) Qualifications of applicants.
 - (1) Completion of high school or the equivalent, as approved by the Board, and
 - (2) Graduation from a recognized nursing program approved by the Board of Nurse

TITLE 185: HEALTH CARE PROFESSIONS

Examiners. Instruction must include a minimum of four weeks of supervised training in each of the following areas of nursing: medical, surgical, obstetric, pediatric, and psychiatric.

(b) Application procedure for initial examination and re-examination.

(1) Submission of an application form provided by the Board of Nurse Examiners. Application must be notarized and be received by the Board of Nurse Examiners not less than 60 days before the scheduled date of the examination.

(2) The application form shall be accompanied by:

(i) High school transcript or the equivalent.

(ii) Two copies of a recent passport type photograph, 2 x 2 inches, in color, with signature and date on back.

(iii) Transcript forwarded directly from School of Nursing. In case of recent graduates, transcript may be forwarded after application deadline, but license will not be released until transcript has been received and examined.

(iv) Certificate of completion, on form provided by the Board of Nurse Examiners, from school of nursing for recent graduates whose transcript is not immediately available. Certificate of completion shall be forwarded directly from the school of nursing.

(v) Cashier's check or money order payable to CNMI Treasury for required fee. Fee is not refundable.

(3) Application is considered abandoned if the applicant has not taken the examination within two years from the date the application was filed. Applicant must re-submit another application with fees for the date of examination.

(c) Examination and re-examination procedure.

(1) An applicant whose admission to the examination has been approved will receive, by mail, an admission card at least seven days prior to the date of the examination. The admission card must be presented at the time of the examination.

(2) Beginning with July 1984, the current series of the National Council Licensure Examination for Registered Nurses (NCLEX-RN) shall be the official examination for registered nurse licensure. The NCLEX-RN exam will consist of four two-hour tests with a minimum standard score of 1600 (passed) for the total examination. Examinations will be conducted once or twice a year, in February and/or July, at the discretion of the Board.

(3) The Board of Nurse Examiners reserves the right to refuse an applicant admission to the examination if:

(i) The applicant has not submitted the required documents.

(ii) The application is received by the Board after the established deadline date.

(iii) The admission card is not presented at the time of the examination.

(iv) The applicant arrives at the examination site after the announced hour the examination is to begin.

(4) The Board of Nurse Examiners will respect the laws and regulations of another state or territory of the United States. However, an applicant who has taken the licensing examination in another state and has not passed that examination will be evaluated by the Board to determine eligibility for licensure according to Commonwealth laws.

(d) Failure and re-examination.

(1) An applicant may retake the licensing examination until he/she passes.

TITLE 185: HEALTH CARE PROFESSIONS

- (2) If the applicant fails the examination three times, the Board of Nurse Examiners will review the applicant's record and make specific recommendations for additional preparation.
 - (3) Re-examination must include all of the tests of the total examination.
- (e) Duplicate or lost license.
 - (1) Original registration will not be replaced.
 - (2) A renewal certificate shall suffice as proof of licensure.

Modified, 1 CMC § 3806(e), (f), (g).

History: Amdts Adopted 10 Com. Reg. 5712 (Oct. 15, 1988); Amdts Proposed 10 Com. Reg. 5695 (Sept. 15, 1988); Amdts Adopted 9 Com. Reg. 4974 (May 15, 1987); Amdts Proposed 9 Com. Reg. 4914 (Mar. 16, 1987); Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

Commission Comment: The 1987 amendments amended subsection (b)(1). The 1988 amendments amended subsections (c)(2), (d)(1) and (d)(2).

In subsection (a)(2), the Commission corrected the spelling of "obstetric."

§ 185-20.2-110 Licensure by Endorsement of Licenses Issued by Any of the United States

- (a) Qualification of applicants.
 - (1) Completion of high school or the equivalent, as approved by the Board of Nurse Examiners, and
 - (2) Graduation from an approved school of nursing, as for candidates licensed solely by examination, and
 - (3) Passage of a licensing examination, with a current license to practice issued by another state or territory of the United States, or from another country at the discretion of the Board, and
 - (4) An inactive status license will be accepted, but the candidate must meet the same requirements for activation of license as all other inactive, status candidates.
- (b) Application procedure.
 - (1) Application procedures are the same for application for licensure by examination as set forth in § 185-20.2-105, with the exception of subsection (c).
 - (2) Endorsement fee is not refundable.
 - (3) Applicant must submit a verification of license by examination, in English, from the state or territory, or another country where licensed. Any fees required for verification shall be paid by the applicant.
 - (4) After application has been submitted and license has been examined, the applicant will be issued a temporary license pending receipt of all required documentation, as set forth in § 185-20.2-125.
- (c) After all documentation has been received and examined, a permanent license to practice as a registered nurse will be issued.

Modified, 1 CMC § 3806(c), (f).

TITLE 185: HEALTH CARE PROFESSIONS

History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989); Amdts Adopted 9 Com. Reg. 4974 (May 15, 1987); Amdts Proposed 9 Com. Reg. 4914 (Mar. 16, 1987); Amdts Adopted 7 Com. Reg. 3973 (Sept. 16, 1985); Amdts Proposed 7 Com. Reg. 3955 (Aug. 15, 1985); Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

Commission Comment: The 1985 amendments amended subsections (a)(3) and (b)(3). The 1987 amendments amended subsection (b)(1). The 1989 amendments changed the title of this section.

§ 185-20.2-115 Licensure by Endorsement of Licenses Issued by a Foreign Country

(a) Qualifications of applicants.

(1) Completion of high school or the equivalent, as approved by the Board of Nurse Examiners; and

(2) Graduation from a nursing program approved by the Board of Nurse Examiners. Instruction must include, a minimum of four weeks in each of the following areas of nursing: medical, surgical, obstetrical, pediatric, and psychiatric nursing. Clinical experience must include a minimum of four weeks in each of the above areas; and

(3) Passage of a licensing examination, with a current, unrestricted and active license to practice issued by another country at the discretion of the Board. Applicants who have taken the National Council Licensure Examination (NCLEX) or State Board Test Pool Examination (SBTP) and failed will not be eligible for licensure by endorsement; and

(4) Licensure by endorsement of foreign licenses shall be limited to individuals who are CNMI residents, CNMI permanent residents as that term was used in CNMI Public Law No. 5-11, United States citizens, aliens lawfully residing in the CNMI, or individuals who have entered into a valid and lawful employment contract to work in the CNMI; and

(5) An applicant must have been actively engaged in the practice of nursing for nine of the twelve months immediately preceding the date of application for licensure by endorsement; and

(6) If an individual has been granted a license by endorsement and subsequently takes the National Council Licensure Examination (NCLEX) or State Board Test Pool Examination (SBTP) and fails such examination, the license by endorsement shall be subject to immediate revocation.

(b) Application procedure.

(1) Submission of an application form provided by the Board of Nurse Examiners. The application must be notarized.

(2) The application form shall be accompanied by:

(i) One copy of a recent passport type photograph, 2 x 2 inches, in color, with signature and date on the back;

(ii) Certified birth certification from official agency of country of birth;

(iii) Certified transcript forwarded directly by school of nursing;

(iv) Verification of licensure shall be forwarded directly by foreign licensing agency in country of origin;

(v) Letter from the applicant's employer or employers verifying applicant's employment for nine of the preceding twelve months;

(vi) A summary of all disciplinary action taken by the board or organization that issued the applicant's current license; and

(vii) Cashier's check or money order for required fee. The application fee is nonrefundable.

TITLE 185: HEALTH CARE PROFESSIONS

(c) License and temporary license.

(1) Upon examination of initial documentation, including a copy of the birth certificate and license from country of origin, applicant may be issued a temporary license. (See § 185-20.2-125 on temporary license).

(2) The Board reserves the right to refuse to issue a temporary license until all documentation has been received and verified.

(3) If the applicant fails to complete the application process, or the Board determines that the applicant is ineligible for licensure by endorsement, the Board shall immediately terminate the temporary license and the temporary license shall be deemed null and void upon the Board's notice of termination. The applicant shall immediately return the license to the Board's office for disposal. No further temporary license shall be issued.

Modified, 1 CMC § 3806(c), (f).

History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989).

Commission Comment: The 1989 amendments added this new section and re-designated the remaining sections in this part accordingly.

§ 185-20.2-120 Licensure of Foreign Graduates

(a) Qualifications of applicants.

(1) Satisfactory completion of a basic nursing education program approved by official agencies in the country of original licensure.

(2) Licensure by examination in a province or country other than the United States.

(i) License must be current and valid.

(ii) License must not have been suspended, revoked or been the subject of probation.

(b) Application procedure.

(1) Completion of application form provided by the Board of Nurse Examiners.

(2) Application form shall be accompanied by:

(i) High school transcript or the equivalent.

(ii) Two copies of a recent passport type photograph, 2 x 2 inches, in color, with signature and date on back.

(iii) Certified birth certificate from official agency of country of birth.

(iv) Certified transcript forwarded directly by school of nursing.

(v) Verification of licensure shall be forwarded directly by foreign licensing agency in country of origin.

(vi) Cashier's check or money order for required fee. Fee is not refundable.

(3) Application form shall be notarized.

(c) License and temporary license.

(1) Upon examination of initial documentation, including copy of birth certificate and license from country of origin, applicant may be issued a temporary license. (See § 185-20-125 on temporary licensure).

TITLE 185: HEALTH CARE PROFESSIONS

- (2) The Board reserves the right to refuse to issue a temporary license until all documentation has been received and verified.
- (3) After all documentation has been received and verified, the applicant will be issued an admission card for the next available licensing examination. The examination shall be the same as the examination required of Commonwealth citizens.
- (4) Licensure by examination for foreign graduates shall be guided by the same policies as for Commonwealth citizens.
- (5) If the applicant fails the licensing examination, the temporary license shall be deemed null and void and immediately returned to the Board's office for disposal. No further temporary license shall be issued.

Modified, 1 CMC § 3806(c), (f).

History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989); Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-125 Temporary Licensure

- (a) The purpose of a temporary license is to permit an applicant who has already been licensed in another jurisdiction to practice nursing pending completion of requirements for licensure as a registered nurse in the Commonwealth.
- (b) A temporary license shall be valid for 90 days from the date of issuance or until a permanent license is issued, whichever comes first.
- (c) A temporary license limits the applicant to the practice of nursing under nursing supervision in a hospital or health agency which has an organized nursing service.
- (d) The temporary license must be surrendered to the Board of Nurse Examiners upon demand by the Board for any reason.

Modified, 1 CMC § 3806(f).

History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989); Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-130 Renewal of License

- (a) The license for a registered nurse is valid for two years from the date of issuance, and shall expire on June 30th of the year of expiration.
- (b) An application for renewal of license shall be mailed to each currently licensed registered nurse not less than 90 days prior to the expiration date. The Board of Nurse Examiners is responsible for mailing only to the last address provided by the applicant.
- (c) The completed renewal application shall be returned to the Board of Nurse Examiners not

TITLE 185: HEALTH CARE PROFESSIONS

later than 60 days prior to the license expiration date.

(d) Renewal application shall be accompanied by proof of completion of not less than 30 hours of approved continuing education for the two years immediately preceding the expiration date of the current license.

(e) The application for renewal shall be accompanied by a money order, check or cashier's check for the renewal fee. The fee is non-refundable.

(f)(1) After verification of renewal application information, the Board shall issue a license for a two year period; provided however that a license issued by endorsement of license issued by a foreign country shall be limited to two years from the date of issuance, and shall expire on June 30th of the year of expiration. A license issued by endorsing a license issued by a foreign country may be renewed for one additional two year period, at the discretion of the Board of Nurse Examiners, on the following terms and conditions in addition to those stated above:

(2) The renewal application shall be accompanied by a performance evaluation satisfactory to the Board which evaluates the applicant's performance as a nurse, and is prepared by one of the applicant's clinical coordinators, or one of the coordinators of the unit where the applicant worked, or the applicant's direct supervisor, any of whom must have had the opportunity to directly supervise the applicant for not less than six months.

(g) A license issued by endorsing a license issued by a foreign country shall only be renewed once.

Modified, 1 CMC § 3806(c), (f), (g).

History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989); Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

Commission Comment: The original paragraphs of subsection (f) were not designated. The Commission designated subsections (f)(1) and (f)(2).

The 1989 amendments deleted former subsection (g), added new subsections (f)(2) and (g) and amended subsections (a), (e), and (f)(1).

In subsection (f)(1), the Commission changed "be" to "by" to correct a manifest error.

§ 185-20.2-135 Inactive Status

(a) Any licensee who is not engaged in the practice of nursing shall not be required to renew his/her license or pay the renewal fee. Such person shall notify the Board, in writing, of his/her inactive status and shall request placement on the inactive list prior to the expiration date of his/her current license.

(b)(1) Prior to resumption of practice, a person on the inactive list shall request reinstatement of an active license by completion of a reinstatement form provided by the Board of Nurse Examiners.

(2) Reinstatement form shall be accompanied by proof of completion of a refresher course

TITLE 185: HEALTH CARE PROFESSIONS

approved by the Board of Nurse Examiners.

History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989); Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-140 Lapsed License

- (a) Any person who has failed to pay renewal fees within 60 days of expiration date of a valid license shall be considered unlicensed. Payment of a late fee will not suffice for reinstatement.
- (b) Reinstatement of a license to practice as a registered nurse shall require filing of a reinstatement form provided by the Board of Nurse Examiners, and such other information as the Board of Nurse Examiners shall require.
- (c) At the discretion of the Board of Nurse Examiners, the person whose license has lapsed may be required to complete additional education, such as a refresher course.

Modified, 1 CMC § 3806(f).

History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989); Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-145 Licensure by Waiver of Qualifications

If a licensee who has been licensed by a waiver of qualifications under 1 CMC § 2323 or 2332, subsequently takes and fails the National Council Licensure Examination (NCLEX) or State Board Test Pool Examination (STBP), the Board shall immediately revoke such licensee's license.

Modified, 1 CMC § 3806(f).

History: Amdts Adopted 11 Com. Reg. 6713 (Dec. 15, 1989); Amdts Emergency and Proposed 11 Com. Reg. 6560 (Oct. 15, 1989) (effective for 120 days from Sept. 19, 1989).

Part 200 - Requirements for Licensure as a Licensed Practical Nurse

§ 185-20.2-201 Licensure by Examination Procedure

- (a) Qualifications of applicants.
 - (1) Completion of high school or its equivalent as evidenced by an education department equivalency diploma.
 - (2) Has graduated from a program for practical nurses which meets the educational standards of the Board of Nurse Examiners.
 - (3) Completion of at least 2 years of study in an approved educational program preparing registered nurses which the Board of Nurse Examiners approves as equivalent to an approved practical nursing program.

TITLE 185: HEALTH CARE PROFESSIONS

(b) Application.

(1) Submission of an application form provided by the Board of Nurse Examiners. Application must be notarized and be received by the Board of Nurse Examiners not less than 30 days before the scheduled date of the examination.

(2) Application form shall be accompanied by:

(i) High school transcript or the equivalent.

(ii) Two copies of a recent passport type photograph, 2 x 2 inches, in color, with signature and date on back.

(iii) Certified transcript forwarded directly from school of nursing. Any fees required for transcripts will be paid by the applicant.

(iv) Cashier's check or money order for required fee. Fee is not refundable.

(3) Abandoned applications are handled the same as for abandoned registered nurse applications as set forth in § 185-20.2-105.

(c) Examination and re-examination. The procedures for examinations for practical nurses are the same as for registered nurses except the current series for testing will be the National Council Licensure Examinations for Practical Nurses (NCLEX-PN) for official nurse licensure. The NCLEX-PN exam will consist of two two-hour tests with a minimum standard score of 350 (passed) for the total examination. Examinations will be conducted once or twice a year, in April and/or October, at the discretion of the Board.

Part 500 - Standards for Educational Programs in Nursing

§ 185-20.2-501 Philosophy Governing Approval of Schools of Nursing

(a) While the Board of Nurse Examiners herein has established minimum standards for approved schools of nursing, it believes that each school of nursing should have flexibility in developing and implementing its philosophy, purposes, and objectives. Such development and implementation should be based not only upon the minimum standards for approved schools of nursing, but also upon sound educational and professional principles for the preparation of registered nurses to meet current and future nursing needs of the public.

(b) The Board of Nurse Examiners believes that there must be congruence between the total program activities of the school of nursing and its stated philosophy, purposes, and objectives.

(c) The Board further believes that the minimum standards for approved schools of nursing can be useful to schools of nursing by promoting self-evaluation which may lead to program development and improvement.

History: Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-560 Board of Nurse Examiners Action Following Survey Visits

- (a) Whenever a matter directly concerning a school of nursing is being considered by the Board of Nurse examiners, any Board member who is associated with the school of nursing shall not participate in the deliberation or decision-making action of the Board of Nurse Examiners.
- (b) Each school shall be evaluated in terms of its total program.
- (c) The Board of Nurse Examiners shall give written notice to the college or university and the nurse administrator of the school of nursing regarding its decision on the school's approval status.
- (d) Full approval shall be granted a school of nursing that meets the requirements of the law and the rules and regulations of the Board of Nurse Examiners. Full approval may carry recommendations for continued improvements.
- (e)(1) Conditional approval shall be granted a school that has failed to meet the minimum standards contained in the law and the rules and regulations of the Board of Nurse Examiners. Conditions that must be met within a designated time period shall be specified in writing.
 - (2) A conditionally approved school shall be reviewed at the end of the designated time period. Such review shall result in one of the following actions:
 - (i) Restoration of full approval;
 - (ii) Continuation of conditional approval for a specified period of time; or
 - (iii) Removal of approval.
- (f) Approval shall be removed if a school of nursing fails to meet conditions established by the Board of Nurse Examiners.

TITLE 185: HEALTH CARE PROFESSIONS

§ 185-20.2-565 Restoration of Approval

A school of nursing may petition the Board of Nurse Examiners for restoration of approval by submitting evidence to the Board of Nurse Examiners for restoration of approval by standards for schools of nursing.

History: Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-570 Appeal of Board of Nurse Examiners Decisions

A school of nursing deeming itself aggrieved by a decision of the Board affecting its approval status shall have the right to appeal the Board of Nurse Examiners' decision to the Board.

History: Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-575 Consultation Services

Consultation will be provided by the Board of Nurse Examiners at the request of a school of nursing. A request for consultation shall be in writing and shall include the purpose and objectives for the visit.

History: Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-580 Closure of an Approved School of Nursing

(a) When an organization has decided to discontinue its school of nursing, it should immediately send written notification of its plans to the Board of Nurse Examiners.

(b) A school in the process of closing shall remain approved, until the enrolled students have been graduated, provided that the minimum standards are maintained.

(c) Upon graduating all students, the Board of Nurse Examiners approval of the school of nursing shall be terminated.

(d) An organization closing a school of nursing shall provide for safe storage of vital school records and shall confer with the Board concerning the matter.

History: Adopted 6 Com. Reg. 2557 (Jan. 15, 1984); Proposed 5 Com. Reg. 2513 (Dec. 15, 1983).

§ 185-20.2-585 Establishment of a New School of Nursing

(a) Application

(1) An organization desiring to establish a Board approved school of nursing shall submit an application in the form requested by the Board. It is recommended that the organization seek consultation from the Board of Nurse Examiners in the initial planning of the program.

(2) The organization shall submit a statement that addresses the need for program and the size and type of the program proposed in relation to the nursing needs of the geographical area to be

TITLE 185: HEALTH CARE PROFESSIONS

served. The statement also shall include information on the potential students, the potential impact on other schools of nursing in the geographical area, the availability of learning experiences, anticipated human and material resources, community support, relationship of school to parent organization, purposes and accreditation status of the sponsoring organization, and a tentative timetable for initiating the program.

(3) Supplementary information may be sought by the Board through a site visit.

(4) If the Board's review of the statement and any supplementary information provided results in approval of the plan, the organization shall be notified that program development may proceed.

(b) Program development.

(1) At least one year in advance of the anticipated admission of students, the organization shall appoint a qualified nurse administrator to develop a tentative program. The tentative program plan shall include:

(i) Purpose, philosophy, and objectives

(ii) Organization and administration

(iii) Budget

(iv) Resources, facilities, and services

(v) Provisions for faculty, including qualifications, functions, organization, and faculty/student ratio.

(vi) Curriculum, including course descriptions

(vii) Policies and procedures for student selection

(viii) Sample form of written agreements between the school and extended learning sites

(ix) Projected plans for the orderly expansion of the program.

(2) The nurse administrator shall submit to the Board of Nurse Examiners a written report of the tentative program plan at least five weeks prior to the scheduled Board of Nurse Examiners' meeting at which the plan is to be reviewed. This review shall take place six months prior to the scheduled opening date of the program.

(3) The nurse administrator of the program and other administrative officers of the organization shall meet with the Board of Nurse Examiners to present the formal application and clarify and amplify materials included in the written report.

(4) The Board of Nurse Examiners shall grant or withhold initial approval of the proposed nursing program.

(5) Schools receiving initial approval shall:

(i) Submit course outlines to the Board for review and approval at least three months prior to offering the course, and

(ii) Submit progress reports as requested by the Board of Nurse Examiners.

(6) Survey visits shall be scheduled when deemed necessary by the Board during the period of initial approval.

(c) A school shall be surveyed to assess its eligibility for full approval at least four months prior to graduation of the first class.
