

TITLE 10: LOCAL LAWS
DIVISION 2: SECOND SENATORIAL DISTRICT (TINIAN, ETC.)

§ 25157. List of Persons Self-Excluded from Gaming Activities.

(a) The Commission shall provide by regulation for the establishment of a list of persons self-excluded from gaming activities at all licensed casinos. Any person may request placement on the list of self-excluded persons by acknowledging in a manner to be established by the Commission that the person is a problem gambler and by agreeing that, during any period of voluntary exclusion, the person may not collect any winnings or recover any losses resulting from any gaming activity at such casinos.

(b) The regulations of the Commission shall establish procedures for placement on, and removals from, the list of self-excluded persons. Such regulations shall establish procedures for the transmittal to licensed casinos of identifying information concerning self-excluded persons, and shall require licensed casinos to establish procedures designed, at a minimum, to remove self-excluded persons from targeted mailings or other forms of advertising or promotions and deny self-excluded persons access to credit compliments, and other similar benefits.

(c) A licensed casino shall not be liable to any self-excluded person or to any other party in any judicial proceeding for any harm, monetary or otherwise, which may arise as a result of:

(1) The failure of a licensed casino to withhold gaming privileges from, or restore gaming privileges to, a self-excluded person; or

(2) Otherwise permitting a self-excluded person to engage in gaming activity in such licensed casino while on the list of self-excluded persons.

(d) The list of self-excluded persons shall be maintained as confidential by the Commission.

(e) A licensed casino or employee thereof shall not be liable to any self-excluded person or to any other party in any judicial proceeding for any harm, monetary or otherwise, which may arise as a result of disclosure or publication in any manner, other than a willfully unlawful disclosure or publication, of the identity of any self-excluded person.

(f) The minimum duration period for self-exclusion shall be one year. After completion of one year, any person on the self-exclusion list may make application to the Commission on a form prescribed by the Commission for removal from the self-exclusion list.
