

TITLE 2: NATURAL RESOURCES
DIVISION 2: PORTS

§ 2127. Executive Director: Powers and Duties.

The executive director shall have the following powers and duties:

(a) To be in full charge and control of the operation and maintenance of the ports controlled by the authority, and of construction of any ports, facilities and other necessary or incidental works controlled by, or required to be constructed or repaired by the authority.

(b) To ensure that all rules and regulations of the authority are enforced;

(c) To attend all meetings of the board and to submit a general report on the affairs of the authority;

(d) To keep the board advised on the needs of the authority;

(e) To approve demands for payment of obligations within the purposes and amounts authorized by the board;

(f) To prepare or cause to be prepared all plans and specifications for the construction and repair of works and facilities operated by the authority;

(g) To devote full time to the business of the authority; to select and appoint the employees subject to the approval of the authority, except as otherwise provided in this chapter; to plan, organize, coordinate and control the services of such employees in the exercise of the powers of the authority under the general direction of the board; and, in lieu of hiring employees of the authority to perform any of the tasks, works or other services required by the authority, to contract with independent contractors, as persons, organizations, or corporations, to provide such services;

(h) To cause to be published within 60 days after the end of each fiscal year a financial and operations statement showing the result of operations for the preceding fiscal year and the financial status of the authority on the last day thereof, which publication shall be made in the manner provided by the board;

(i) To perform such other and additional duties as the board may require; and

(j) To be an ex officio (nonvoting) member of the board.
