

**TITLE 2: NATURAL RESOURCES**  
**DIVISION 2: PORTS**

**§ 2212. Appeals to Board.**

Any person who is aggrieved or affected by any determination, finding, or other action of the executive director in the administration of this article may appeal to the board. All appeals must be taken within a reasonable time, or within such time as may be prescribed by regulation, by filing with the executive director a notice of appeal specifying the grounds therefor. The executive director shall transmit to the board copies of all papers constituting the record upon which the action appealed from is taken. The board shall review the action of the executive director at its next regular meeting, provided that the person making the appeal shall be given due notice and an opportunity to be present and represented by counsel. The board shall make its decision in accordance with applicable law, regulations, and bylaws, and may take such action, in conformity with the provisions of this article and other applicable laws, as it deems appropriate. For the purpose of this section the board shall have all the powers of the executive director under this article. Upon request of any party, the board shall make written findings of fact and conclusions of law upon which its decision or action is based. Any decision or action of the board under this article shall be a final agency action, unless otherwise specified, and shall be subject to judicial review at the instance of any person suffering a legal wrong or adversely affected or aggrieved thereby, as provided by law for appeals from agency actions.
