

§ 2703. Prohibited Label or Advertisement Where Promotion for Sale is Made.

(a) No person shall sell any food, afok or bweesch, drug, cosmetic or device:

(1) That is not represented by label; or

(i) Afok or bweesch for sale shall have on its label the name of the manufacturing company, distributor, place of manufacture, ingredients and a warning label which states: "This product may be linked to oral cancer."

(ii) Imported afok or bweesch products shall have the same label information requirements set forth in subparagraph (i).

(iii) The afok or bweesch container shall be properly packaged and sealed with an unbroken seal cover.

(2) That the person advertises to the general public as a treatment, preventative or cure for any of the diseases, disorders or abnormal physical states listed in Schedule A.

(3) That the person advertises to the general public as a treatment, preventative or cure for any of the diseases, disorders or abnormal physical states in a language other than English, Chamorro or Carolinian unless accompanied by an accurate and full English translation.
