

**TITLE 4: ECONOMIC RESOURCES**  
**DIVISION 8: UTILITIES**

**§ 8571. Policy to Encourage Clean Energy Transportation and Reduce Diesel and Gasoline Engine Emissions.**

It is the policy of the CNMI to encourage the use of clean-running commercial sector buses, including mini-buses. It is the policy of the CNMI to substitute for gasoline and diesel fuel the following fuels: electricity which has been generated by clean-burning fossil power plants and renewable resources; and bio-diesel fuel, including fuel made from used cooking oils and grown to produce ethanol.
