§ 2134. Registration: Revocation or Suspension; Grounds.

(a) A registration pursuant to 6 CMC § 2133 to manufacture, distribute, or dispense a controlled substance, may be suspended or revoked by the director upon a finding that the registrant:

(b) The director may limit revocation or suspension of a registration to the particular controlled substance with respect to which grounds for revocation or suspension exists.

(c) In the event the director suspends or revokes a registration granted under 6 CMC § 2133 all controlled substances owned or possessed by the registrant pursuant to the registration at the time of suspension or the effective date of the revocation order, as the case may be, may in the discretion of the director be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless the court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all such controlled substances shall be forfeited.

(d) The Director of Public Safety and the Attorney General shall promptly be notified of all orders suspending or revoking registration and all forfeitures of controlled substances.
