

**TITLE 7: CIVIL PROCEDURE**  
**DIVISION 2: ACTIONS AND SPECIAL PROCEEDINGS**

**§ 2903. Set-Off.**

A claim and counterclaim shall not be set off against each other, except by agreement of both parties. On motion, however, the court, if it finds that the obligation of either party is likely to be uncollectible, may order that both parties make payment into court for distribution. The court shall distribute the funds received and declare obligations discharged as if the payment into court by either party had been a payment to the other party and any distribution of those funds back to the party making payment had been a payment to him by the other party.
