PUBLIC NOTICE

NOTICE OF ADOPTION OF EMERGENCY REGULATIONS PURSUANT TO 1 CMC § 9104(b) AND NOTICE OF INTENT TO ADOPT PROPOSED REGULATIONS PURSUANT TO 1 CMC § 9104(a), COMMONWEALTH UTILITIES CORPORATION, PROCUREMENT REGULATIONS, NMIAC TITLE 50, CHAPTER 50-50

Adoption of Emergency Regulations. The Commonwealth Utilities Corporation (CUC), upon issuance of this notice, adopts the regulations herewith, having an effective period not longer than 120 days (1 CMC § 9104(b)). CUC also intends to adopt the regulations herewith for an effective period of time that is indefinite 1 CMC § 9104(a).

Authority for the Adoption of Emergency Regulations. CUC is authorized to promulgate rules and regulations necessary to exercise the corporation's powers and duties (4 CMC § 8157). These include the duty to control the construction, management, and operation of the Commonwealth's electrical power, water, and sewer systems (4 CMC § 8123). Pursuant to 1 CMC § 9104(b), CUC is also authorized to adopt regulations upon fewer than 30 days' notice. The statute provides that where a Commonwealth agency finds that the public interest so requires, or where there is an imminent peril to the public health, safety, or welfare, the agency may adopt regulations upon fewer than 30 days' notice provided that the agency states its reasons for the finding, and obtains the concurrence of the Governor (1 CMC § 9104(b)). Regulations adopted pursuant to 1 CMC § 9104(b) are effective for a period not longer than 120 days (1 CMC § 9104(b)).

Public Interest Finding. CUC finds that the public interest calls for the immediate adoption of the regulations herewith. The agency's procedure under § 50-50-405 of the CUC Procurement Regulations provides that an appeal to the Public Auditor from a decision by the CUC Executive Director may be taken. However, in *RNV Construction v. GPPC, Inc.*, 2021 MP 13, the Supreme Court of the Commonwealth of the Northern Mariana Islands held that the Office of the Public Auditor is without legal authority to hear appeals involving CUC's procurement function. So, the regulation (§ 50-50-405) must be amended to comport with the law. This is necessary to aid in the efficient and effective resolution of procurement appeals, foster increased public confidence in the CUC's procurement system, and help to ensure the fair and equitable treatment of all persons who deal with the agency's procurement function.

Intent to Adopt Proposed-Amended Regulations. CUC is authorized to adopt, for an indefinite effective period of time, regulations that are identical to emergency regulations that the agency adopts upon fewer than 30 days' notice (1 CMC § 9104(b) provided that the agency follows the procedures established under 1 CMC § 9104(a). The statute (1 CMC § 9104(a)) provides that prior to adoption, amendment, or repeal of any regulation, the agency shall:

Commonwealth Utilities Corporation Board of Directors

(1) Give at least 30 days' notice of its intended action by publication in the Commonwealth Register and by posting in convenient places in the civic center and in local government offices in each senatorial district, both in English and in the principal vernacular. The notice shall include: (i) A statement of either the terms or substance of the proposed regulation or a description of the subjects and issues involved; (ii) Reference to the authorities under which that action is proposed; and (iii) The time when, the place where, and the manner in which interested persons may present their views.

(2) Afford all interested persons reasonable opportunity to submit data, views, or arguments, in writing. In all proceedings under this section, opportunity for oral hearing must be granted if requested by the Commonwealth Legislature or one of its committees, or a government subdivision or agency. Hearings afforded pursuant to this provision shall be conducted in accordance with 1 CMC § 9109. The agency shall consider fully all written and oral submissions respecting the proposed regulation. Upon adoption of a regulation, the agency, if requested to do so by an interested person either prior to adoption or within 30 days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

(3) Obtain the approval of the Attorney General pursuant to 1 CMC § 2153(e).

Statement of the terms and substance of the proposed-amended regulations. Adoption of the proposed-amended regulations herewith involves the amendment of § 50-50-405, which governs CUC's procedure for appeals from the Executive Director's protest decisions to the CUC Board of Directors Standing Committee for Appeals. The proposed-amended regulations herewith are identical to the regulations herewith adopted upon issuance of this notice pursuant to 1 CMC § 9104(b). Adoption of the proposed-amended regulations would result in the amendment of CUC's regulation (NMIAC § 50-50-405) governing appeals from the CUC Executive Director's protest decisions. The principal aim of the proposed-amended regulations is to amend the provisions under the regulation (NMIAC § 50-50-405) in order to establish CUC's "Committee for Appeals" as the responsible authority for deciding appeals from the executive director's protest decisions. Provided herewith is a copy of the proposed-amended regulations, which particularly describes the terms and substance involved.

Deadline, place, and manner in which interested persons may present their views:

Interested persons may submit written comments on the proposed-amended regulations no later than 30 days from the date of issuance of this public notice via the following:

(d) Notice of Protest. Submission of Director’s Report and Time for Filing of Comments on Report.

(1) The ~~Public Auditor~~Committee for Appeals shall notify the Director by telephone and in writing within one day of the receipt of an appeal to the contractor if award has been made or, if no award has been made, to all bidders or proposers who appear to have a substantial and reasonable prospect of receiving an award if the appeal is denied. (3) The ~~Public Auditor~~Committee for Appeals shall request the Director to submit a complete report on the appeal to the Committee for Appeals ~~Public Auditor~~ as expeditiously as possible (generally within 25 working days) in accordance with § 50-50-401(a)(4) of these procedures and to furnish a copy of the report to the appellant and other interested parties as defined in § 50-50-301(d).**

Any rebuttal an appellant or interested party may care to make shall be filed with the ~~Committee for Appeals Public Auditor~~ within five days after receipt of the comments or which rebuttal is directed,^{***} with a copy to CUC office which furnished the report, the appellant, and interested parties, as the case may be. Unsolicited CUC rebuttals shall be considered if filed within five days after receipt by the CUC of the comments to which rebuttals directed.

(5) The failure of an appellant or any interested party to comply with the time limits stated in this section may result in resolution of the appeal without consideration of the comments untimely filed.

**So in original; see the commission comment to this section.

***So in original.

(e) Withholding of Award. When an appeal has been filed before award, the Director will not make an award prior to resolution of the protest except as provided in this section. (f) Furnishing of Information on Protests. The ~~Committee for Appeals Public Auditor~~ shall, upon request, make available to any interested party information on the substance of the appeal which has been submitted by interested parties or agencies, except to the extent that withholding of information is permitted or required by law or regulation. - (5) There shall preside at the taking of evidence:
- (i) The agency; or
 - (ii) A hearing officer appointed by the Committee for Appeals.
- (6) When the Committee for Appeals does not preside at the reception of the evidence, the hearing officer shall initially decide the case by recommending an initial order or decision. The initial order or decision then becomes the order or decision of CUC without future proceedings unless there is an appeal to, or review on motion of, the agency within five days of issuance of the initial order or decision. On timely appeal from or review of the initial order or decision, CUC has all the powers which it would have in making the initial order or decision, except as it may limit the issues on notice or by rule. When the agency makes the order or decision without having presided at the reception of the evidence, the hearing officer presiding shall first recommend an order or decision to the agency.
- (7) Before a recommended initial order or decision, or an order or decision on agency review of an order or decision, the parties are entitled to a reasonable opportunity to submit for the consideration of the Committee for Appeals:
- (i) Proposed findings and conclusions;
 - (ii) Exceptions to the order or decision or recommended order or decision; and
 - (iii) Supporting reasons for the exceptions or proposed findings and conclusions.
- (8) The record shall show the ruling or decision on each finding, conclusion, or exception presented. All orders or decisions, including initial or recommended orders or decisions, or those on agency review, are a part of the record and shall include a statement of:
- (i) Findings and conclusions, and the reasons or basis for them, on all the material issues of fact, law, or discretion presented on the record; and
 - (ii) The appropriate decision, order, relief, or denial thereof.

TITLE 50 COMMONWEALTH UTILITIES CORPORATION

(i) Request for Reconsideration.

(1) Reconsideration of a decision of the ~~Committee for Appeals Public Auditor~~ may be requested by the appellant, any interested person who submitted comments during consideration of the protest, the Director, and any agency involved in the protest. The request for reconsideration shall contain a detailed statement of the factual and legal grounds specifying any errors of law information not previously considered.

(2) Request for reconsideration of a decision of the ~~Committee for Appeals Public Auditor~~ shall be filed not later than ten days after the basis for reconsideration is known or should have been known, whichever is earlier. The term "filed" as used in this section means receipt in the ~~Committee for Appeals Office of the Public Auditor~~.

(3) A request for reconsideration shall be subject to these bid protest procedures consistent with the need for prompt resolution of the matter.

Modified, 1 CMC § 3806(c), (e), (f), (g).

History: Adopted 13 Com. Reg. 7853 (Aug. 15, 1991); Proposed 12 Com. Reg. 7069 (June 15, 1990).

Commission Comment: In subsection (d)(3), the Commission changed "he" to "the" to correct a manifest error. The starred citation in subsection (d)(3) is incorrect. The original regulations reference section 4-101(4)(c), which did not exist. Original section 4-101(4) is codified at § 50-50-301(d); however, reference to that section does not make sense.

In subsection (d)(5), the Commission changed "interest" to "interested" to correct a manifest error.

~~§ 50-50-410 Remedies~~

~~(a) Remedies Prior to Award. If prior to award the Director or the Public Auditor determines that a solicitation or proposed award of a contract is in violation of law or regulation, then the solicitation or proposed award shall be:~~

~~(1) Cancelled; or~~

~~(2) Revised to comply with law or regulation.~~

~~(b) Remedies After an Award. If after an award the Director or the Public Auditor determines that a solicitation or award of a contract is in violation of law or regulation, then:~~

~~(1) If the person awarded the contract has not acted fraudulently or in bad faith:~~

~~(i) The contract may be ratified and affirmed, provided it is determined that doing so is in the best interests of CUC; or~~

~~(ii) The contract may be terminated and the person awarded the contract shall be compensated for the actual expenses reasonably incurred under the contract, plus a reasonable profit, prior to termination;~~

~~(2) If the person awarded the contract has acted fraudulently or in bad faith:~~

~~(i) The contract may be declared null and void; or~~

~~(ii) The contract may be ratified and affirmed if such action is in the best interests of CUC, without prejudice to CUC's rights to such damages as may be appropriate.~~

~~(c) Finality of Findings of Fact by the Public Auditor. A determination of an issue of fact by the Public Auditor under these procedures shall be final and conclusive unless arbitrary, capricious, fraudulent, or clearly erroneous.~~
